

CHAPTER 3

The Accounting Information System

ANSWERS TO QUESTIONS

1. Examples are:
 - (a) Payment of accounts payable.
 - (b) Collection of accounts receivable from a customer. Also, a purchase of supplies or equipment for cash.
 - (c) Conversion of accounts payable to note payable.

LO: 1, Bloom: K, Difficulty: Simple, Time: 3-5, AICPA BB: Communication, AICPA PC: Reporting, AICPA PC: None

2. Transactions (a), (b), (d) are considered business transactions and are recorded in the accounting records because a change in assets, liabilities, and/or owners'/stockholders' equity has been effected as a result of a transfer of values from one party to another. Transactions (c) and (e) are not business transactions because a transfer of values has not resulted, nor can the event be considered financial in nature and capable of being expressed in terms of money.

LO: 1, Bloom: K, Difficulty: Simple, Time: 3-5, AICPA BB: Communication, AICPA PC: Reporting, AICPA PC: None

3. Transaction (a): Accounts Receivable (debit), Service Revenue (credit).
Transaction (b): Cash (debit), Accounts Receivable (credit).
Transaction (c): Supplies (debit), Accounts Payable (credit).
Transaction (d): Delivery Expense (debit), Cash (credit).

LO: 1, 2, Bloom: K, Difficulty: Simple, Time: 3-5, AICPA BB: Communication, AICPA PC: Reporting, AICPA PC: None

4. Revenue and expense accounts are referred to as temporary or nominal accounts because each period they are closed out to Income Summary in the closing process. Their balances are reduced to zero at the end of the accounting period; therefore, the term temporary or nominal is given to these accounts.

LO: 1, Bloom: K, Difficulty: Simple, Time: 3-5, AICPA BB: Communication, AICPA PC: Reporting, AICPA PC: None

5. Andrea is not correct. The double-entry system means that for every debit amount there must be a credit amount and vice-versa. At least two accounts are affected and debits must equal credits. It does not mean that each transaction must be recorded twice.

LO: 1, Bloom: C, Difficulty: Simple, Time: 3-5, AICPA BB: Communication, AICPA PC: Reporting, AICPA PC: None

6. Although it is not absolutely necessary that a trial balance be prepared periodically, it is customary and desirable. The trial balance accomplishes two principal purposes:
 - (1) It tests the accuracy of the entries in that it proves that debits and credits of an equal amount are in the ledger.
 - (2) It provides a list of ledger accounts and their balances, which may be used in preparing the financial statements and in supplying financial data about the concern.

LO: 3, Bloom: C, Difficulty: Simple, Time: 3-5, AICPA BB: Communication, AICPA PC: Reporting, AICPA PC: None

7. (a) Real account; balance sheet.
(b) Real account; balance sheet.
(c) Inventory is generally considered a real account appearing on the balance sheet. (Note: Inventory has the elements of a nominal account when the periodic inventory system is used. It may appear on the income statement when the multiple-step format is used under a periodic inventory system.)
(d) Real account; balance sheet.
(e) Real account; balance sheet.

Answer Key For Connect Learnsmart Intermediate Accounting

Donald E. Kieso

Answer Key For Connect Learnsmart Intermediate Accounting:

Intermediate Accounting J. David Spiceland, James F. Sepe, Mark W. Nelson, 2011 Adopters and reviewers praise Intermediate Accounting 6 e by Spiceland Sepe Tomassini for its superior readability strong supplements package learning system good EOC real world flavor consistent quality and high student engagement SST 6 e will gain support in both traditional and progressive accounting departments especially those looking for a more concise decision making text that reinforces challenging concepts The authors have created a flexible text with a student friendly writing style that focuses on explaining not only how to apply a procedure but why its applied SST 6 e is built around a Learning System designed to prepare students for the new CPA exam and the business world by emphasizing decision making Acknowledging the diversity of students and their learning styles the authors have created a clear text and varied supplemental materials to aid the success of every student

INTERMEDIATE ACCOUNTING in Q and A Folorunsho MEJABI, 2017-01-02 For the things we have to learn before we can do them we learn by doing them Aristotle once said If we let ourselves we shall always be waiting for some distraction or other to end before we can really get down to our work The only people who achieve much are those who want knowledge so badly that they seek it while the conditions are still unfavourable Favourable conditions never come This book presents a new learning style evident with today s students and addresses accounting industry changes as well This textbook is not written as a reference text rather it is written in another form where knowledge can be bridged and tested through questions and answers in a multiple choice format To gain most from the text we would advise you to read topics relevant to the multiple choices so as to be able to attempt the questions raised The answers to the questions are provided towards the back pages of the text The book will not in small measure assists students in preparation for their regular academic and professional exams Accounting has evolved over the years especially in the areas of standard setting and global inventions and innovations The book basically covers intermediate and essential topics in financial accounting and Reporting It will help broaden the base of Finance Managers accounting students accountants corporate gurus and managers of businesses Don t forget that Indeed learning to write may be part of learning to read For all I know writing comes out of a superior devotion to reading

Intermediate Accounting, Student Practice and Solutions Manual , **INTERMEDIATE ACCOUNTING** NARAYAN CHANGDER, 2024-01-19 Note Anyone can request the PDF version of this practice set workbook by emailing me at cbsenet4u gmail com I will send you a PDF version of this workbook This book has been designed for candidates preparing for various competitive examinations It contains many objective questions specifically designed for different exams Answer keys are provided at the end of each page It will undoubtedly serve as the best preparation material for aspirants This book is an engaging quiz eBook for all and offers something for everyone This book will satisfy the curiosity of most students while also challenging their trivia skills and introducing them to new information Use this invaluable book to test your subject matter expertise Multiple choice exams are a common assessment

method that all prospective candidates must be familiar with in today's academic environment. Although the majority of students are accustomed to this MCQ format, many are not well versed in it. To achieve success in MCQ tests, quizzes, and trivia challenges, one requires test-taking techniques and skills in addition to subject knowledge. It also provides you with the skills and information you need to achieve a good score in challenging tests or competitive examinations. Whether you have studied the subject on your own, read for pleasure, or completed coursework, it will assess your knowledge and prepare you for competitive exams, quizzes, trivia, and more.
