Writing Part 3

Sample answer:

7 Dear Helen,

Thank you for your letter. It was great to hear from you. Your sailing trip sounds wonderful. You asked me about the activities I like doing. Well, I'm in the basketball team at school. We practise twice a week and we often play a match on Saturdays. I like playing sport because it's fun and I like the other people in my team. I also love watching films, so I go to the cinema about once a month with my friends. We sometimes have a pizza too. Say hello to your family and write soon!

From Maria. (99 words)

- 8 I woke up in the middle of the night. It was dark, but the moon was bright. I was thirsty, so I went to the kitchen. There was a strange woman sitting at the table. "Who are you?" I asked. The woman smiled and I wasn't afraid. I opened the fridge and took out the milk.

When I turned round, she was gone. Had I seen a ghost? The next day, I told my mother. "That's your Aunt Jane from Australia," she said. "She arrived last night when you were asleep. She was probably sleepwalking." (95 words)

Part 3

Possible answers:

Student A: In my picture, a woman is cycling through a town. She's wearing a jacket or coat, so it's probably spring or autumn. There aren't many people, and it's very quiet, so it might be the afternoon. The woman looks very relaxed. She has some shopping, so she might be coming back from the shops. There's a small child on the back of the bike and there isn't any traffic.

Student B: In my picture, a man is in a car. He's in a lot of traffic, probably in the city, and his car isn't moving. He's wearing a tie, so he's probably going to work, or he might be coming home from work. I'm not sure. He doesn't look very happy. He isn't wearing a jacket and the window is open, so it's probably summer.
