Indian Polity And Governance : For UPSC Civil Services and State PSC Examinations Nitin Shivahare, To say anything about the relevance of Indian Polity it was the best of times it was the worst of times While on one hand sweeping changes in the pattern of questioning and less than kind marking in all papers including optional has shaken the confidence of the most ardent of its advocates on the other hand however the indelible presence of a substantial portion of Indian Polity in all papers has proved it beyond doubt that you can love it or hate it but

you can never be indifferent towards it This edition presents the dynamic aspect of Indian Polity the living breathing ever changing ever challenging democratic environment which is as complex as elusive and as mind boggling as the realities of India itself Democracy one can say is the arena where the various theories and principles wrestle grapple and jostle with each other to prove their pertinence and justify their existence This book has been done in an equally diligent and devoted manner for revealing the complexities while retaining the simplicity of the subject in hand I hope the present work will prove to be a fascinating informative and enriching read for both students and casual but curious readers alike
