LAB 7 EXAM QUESTIONS AND CORRECT ANSWERS (marked yellow color) Concordia University

Lab 7

- Perfectly competitive firms **do not** have competitive behaviour because
 - government legislation prevents it.
 - the firms are regulated.
 - the actions of any one firm would have no effect on any other firm.**
 - None of the above.
- The _____ market power the firms have, the _____ competitive the market structure is.
 - more; more
 - less; less
 - less; more**
 - None of the above.
- Fill in the blanks to make the following statements correct. In addition to the key assumption that firms maximize profits, there are four more assumptions about the theory of perfect competition. They are:
 - The firms in the industry produce a product that is **homogeneous**.
 - Consumers have full information about the product and they know its **price**.
 - Each firm is **price** taker to the rest of the industry.
 - The industry is characterized by freedom of **entry and exit**.
- Fill in the blanks to make the following statements correct.
 - The demand curve faced by a single firm in a perfectly competitive market is **horizontal**.
 - The demand curve faced by a single firm in a perfectly competitive industry coincides with the firm's **average and marginal revenue** curves.
 - Total revenue is calculated as **price $\times$ quantity**. Average revenue is calculated as **total revenue / output quantity**. Marginal revenue is calculated as **change in total revenue / change in output quantity**.
 - A firm's loss when it produces no output is equal to its **total fixed cost**.
- The figures below illustrate the difference between the demand curve for a competitive industry and the demand curve facing an individual firm in that industry. Review these figures and answer the following questions.

- If the individual firm tried to charge a higher price for its product,
 - the market price would rise.
 - other firms would also charge a higher price.
 - other firms would charge a lower price.
 - it would lose its customers.**
- The individual firm has no incentive to charge a lower price for its product because
 - revenue and profit would be lower but the market price would be unchanged.**
 - the effect on revenue and profits is unpredictable.
 - revenue and profit would be lower but the market price would fall slightly.
 - revenue and profit would be unchanged.
- The demand curve for an individual firm is horizontal at the current market price because
 - the firm adjusts to the market price.
 - any change in the firm's output has virtually no effect on industry output.**
 - the market price is constant.
 - changes in the firm's output also change the market price.
- The price elasticity of demand faced by an individual wheat farmer would come closest to which following value?
 - 0.00007
 - 0.7

Answers For Pearson Econ Lab Introduction

In the digital age, access to information has become easier than ever before. The ability to download Answers For Pearson Econ Lab has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Answers For Pearson Econ Lab has opened up a world of possibilities. Downloading Answers For Pearson Econ Lab provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Answers For Pearson Econ Lab has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Answers For Pearson Econ Lab. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Answers For Pearson Econ Lab. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Answers For Pearson Econ Lab, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Answers For Pearson Econ Lab has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
