## Economic Systems and Decision Making

The Venn diagram below represents three major economic systems. Each economic system has certain characteristics that are particular to it alone. However, two or all of these economic systems share some characteristics.

Directions: Write each word or phrase from the word bank in the correct part of the Venn diagram, depending on which economic system or systems that word describes or characterizes.

|                               |                        |                                         |
|-------------------------------|------------------------|-----------------------------------------|
| private ownership of business | inefficient            | high incentives                         |
| state ownership of business   | consumer-demand driven | government controlled                   |
| free enterprise               | mixed economy          | economic security                       |
| entrepreneurial               | welfare state          | social benefits                         |
| highly innovative             | few incentives         | fair wealth distribution                |
| unfair wealth distribution    | personal profits       | unprofitable needs may not be addressed |
| high uncertainty              |                        |                                         |
