International Environmental Governance Bharat H. Desai, 2014-05-15 International Environmental Governance Towards UNEPO offers a significant contribution to practitioners and scholars involved in international debates regarding environmental governance Clarifying the insufficiency of the 1972 UN General Assembly's model of a small UN Environment Programme in helping nations stem the accumulating degradation of the environment across the globe the work poses the remaining question how should international environmental governance be accomplished The volume is timely in its examination of the post Rio 20 period and furthermore addresses the vital issue of the evolution of UNEP into a specialized agency designated the UN Environment Protection Organization UNEPO a new mandate to revive the UN Trusteeship Council to supervise environment and the commons as well as law making and institution building processes as reflected in multilateral environmental agreements MEAs and other multilateral forms International Environmental Governance Towards UNEPO addresses the law making challenge presented by growth in MEAs and proliferation of international environmental institutions with a thorough consideration of the debate regarding the need for and efficacy of global governance in the field of environment Dr Desai's timely analysis will assist diplomats lawyers and scholars citizens and civil servants alike in finding the new roads forward

The International Law of Youth Rights Jorge Cardona, Giuseppe Porcaro, Jaakko Weuro, Giorgio Zecca, 2015-02-04 In 1996 William Angel launched a unique pioneering study tracing the origin growth and basic features of the international law of youth rights It consisted of both source documents and commentary on the historical trends to elaborate and codify international instruments and standards in this field as well as action taken by governmental intergovernmental and non governmental organizations to promote and protect youth rights It concluded with a call for a new international instrument and monitoring machinery to better promote and protect the rights of youth on a global basis The aim of the current revised updated and expanded edition of this ground breaking work is twofold First to preserve and update the landmark historical research undertaken by William Angel and present it to today's audience Second to introduce up to date analysis of the state of the International Law of Youth Rights and to provide an easy to use compilation of sources of law for researchers and practitioners active in this field This important collection will provide a roadmap for readers to finding the various sources of the International Law of Youth Rights and a reference point for the most relevant legal documents in force It aims to spark further legal political and sociological research in the academic field as well as support even stronger advocacy actions to further the rights of young people Two volume set

Sustainable Development Goal 14 - Life Below Water: Towards a Sustainable Ocean Emanuele Di Lorenzo, Christian Lønborg, Jesper H. Andersen, Elva G. Escobar-Briones, Michelle Jillian Devlin, Angel Borja, Marius Nils Müller, Carol Robinson, Alex Ford, Anna Milena Zivian, Ana M. M. Sequeira, Sebastian Villasante, Brett W. Molony, Tomaso Fortibuoni, Simone Libralato, Pierre Failler, 2022-03-15 **The Politics of Global Ocean Regions** Christian Bueger, Elizabeth Mendenhall, Rebecca Strating, 2025-07-08 The oceans are not

just vast expanses of blue but dynamic political spaces shaped by complex regional dynamics In this fascinating study the authors advance a novel analytical framework for the study of the politics of global ocean regions They shed new light on the complex interactions in ocean spaces such as the Arctic Indo Pacific or Indian Ocean Written by leading experts in different ocean regions the book demonstrates how important yet diverse and complex regional maritime politics are Its emphasis on the emergence organization and effects of global ocean regions provides a useful framework for guiding future research The book will be essential reading for students and analysts interested in regionalism the oceans and the governance of global commons

The Obligation to Extradite Or Prosecute Kriangsak Kittichaisaree,2018 It was hoped that the creation of the International Criminal Court would enable the extradition and prosecution of crimes which shock the world Fifteen years later Kittichaisaree scrutinises the achievements and limitations of the court so far offering his own vision for ensuring that no international criminal escapes the eye of justice

Responsibility and Liability in the Context of Transboundary Movements of Hazardous Wastes by Sea Jan Albers,2014-09-25 The term hazardous wastes covers a wide range of disused products and production wastes generated not only in industrial sectors but also in all areas of everyday life Hazardous wastes are to a large extent shipped by sea to third countries for recycling or disposal While the procedural requirements for such movements are laid out in the 1989 Basel Convention explicit rules of responsibility and liability for resulting damages are neither provided by the Basel Convention nor by other international conventions The Liability Protocol to the Basel Convention of 1999 has not yet entered into force This book examines the existing rules of responsibility and liability applying to States and private persons and outlines the conditions under which liability may be incurred Subsequently the advantages and shortcomings of the 1999 Liability Protocol are analyzed Although this Protocol faces substantial political headwind from a legal perspective it includes principally useful and reasonable approaches and should therefore be ratified

International Terrorism: A Compilation of U.N. Documents (1972-2001) M. Cherif Bassiouni,2023-04-17 An extensive body of law designed to control international terror violence has come into being and it is this assembly of reports and resolutions conventions and scattered treaty provisions that we must rely on as we move toward an enforceable unambiguous anti terrorism regime in international law These legal instruments are gathered together for the first time in this definitive two volume set The only published source of all United Nations documentation since 1972 on the subject of terrorism including all 180 reports and resolutions adopted since that date and up to June 2001 Plus an introductory article by the editor provides a forward looking view of the evolving challenges in combating the ever changing manifestations of terror violence Published under the Transnational Publishers imprint The print edition is available as a set of two volumes 9781571052278

The Mitigation of Marine Plastic Pollution in International Law Judith Schäli,2022-04-19 The open access publication of this book has been published with the support of the Swiss National Science Foundation The massive accumulation of plastics in marine environments is one of the most pressing environmental concerns of our time This book

examines the relevant international legal framework applying to land based sources of plastic pollution Against the backdrop of the dynamics of recent policy formulation in this field it outlines the main developments and provides a snapshot inventory of state obligations related to plastic pollution mitigation The Mitigation of Marine Plastic Pollution in International Law identifies the main barriers and opportunities and points out the possible building blocks of an enhanced regime **Global Biodiversity** World Conservation Monitoring Centre,2012-12-06 Global Biodiversity is the most comprehensive compendium of conservation information ever published It provides the first systematic report on the status distribution management and utilisation of the planet s biological wealth **Proceedings / Actes et Documents of the XIXth Session of The Hague Conference on Private International Law** The Hague Conference on Private Internat,2006-10-31 This volume of the Proceedings of the Nineteenth Session of the Hague Conference on Private International Law encompasses all preparatory work and records of meetings which led to the adoption of the Hague Convention on the Law Applicable to Certain Rights in Respect of Securities held with an Intermediary the Hague Securities Convention The signing of this Convention on 5 July 2006 by two of the world s major financial markets the United States and Switzerland shows the relevance of the new treaty Traditional rules based on physical transfers and direct holdings are too diverse and inadequate to deal with securities which are nowadays transferred and pledged by electronic entries to accounts with clearing and settlement systems and other intermediaries By identifying specific conflict rules the Hague Securities Convention provides a means to remedy this lack of legal certainty which has characterized for too long the field of security transactions The Proceedings will enable the financial world but also legal practitioners and academics to grasp the background and full objectives of this very innovative international instrument
