[Affect in Mathematical Modeling](#) Scott A. Chamberlin, Bharath Sriraman, 2019-06-03 In the book the relationship between affect and modeling is discussed because as educational psychologists have suggested for decades affect directly influences achievement Moreover given the importance of mathematical modeling and the applications to high level mathematics it provides the field of mathematics psychology with insight regarding affect in relation to mathematical

modeling By doing so it helps determine the degree to which understanding of mathematics and understanding affect in mathematical modeling episodes may have a direct effect on cognition
