Elaine Harger, 2016-02-22 Shattering any idea that librarianship is a politically neutral realm this insider's account of seven debates from the floor of the American Library Association Council illustrates the mechanisms the governing body used to maintain the status quo on issues like racism government surveillance and climate change At play in each debate are rules of parliamentary procedure appeals to authority denial and chastisement of librarians who pushed the ALA to make real its commitments to human rights and social justice Providing a fascinating look at the Council's inner workings the author parses debates concerning anti apartheid boycotts partnerships between ALA McDonald's and the Boy Scouts of America spying by the National Security Agency censorship in Israel and the Occupied Territories fossil fuel industry divestment and the recent revival by ALA's Office of Intellectual Freedom of the infamous film *The Speaker* *Morally Straight* Mike De Socio, 2024-06-04 This deeply reported narrative illuminates the battle for LGBTQ inclusion in the Boy Scouts of America a decades long struggle led by teenagers parents activists and everyday Americans Weaving in his own experience as a scout and journalist Mike De Socio's *Morally Straight* tells a story that plays out over the course of nearly forty years beginning in an era when gay rights were little more than a cultural sideshow when same sex marriage was not even on the radar and when much of the country was recommitting to conservative social mores It was during this treacherous time that accidental activists emerged challenging one of America's most iconic institutions in a struggle that would forever change the country's view of gay people and the rights they held in society In *Morally Straight* we meet James Dale the poster child of Scouting who took his fight for inclusion to the Supreme Court Steven Cozza the 12 year old scout in California who started a movement for inclusion called Scouting for All Jennifer Tyrrell the lesbian den mother whose expulsion from the Scouts reignited the gay membership controversy Zach Wahls the son of lesbian moms who led the final push for policy change and an array of other previously unknown Scouters who played smaller but no less crucial roles in the fight for full inclusion

Richly reported and filled with unforgettable people Morally Straight braids together these characters and brings to life their collective struggle This is an essential narrative in the American LGBTQ rights movement and a truly American story about the fight for a better future for our nation s bedrock youth organization *Legislative Hearing on S. 659, the Bipartisan Sportsmen's Act of 2015* United States. Preventing Child Sexual Abuse In Youth-Serving Organizations Norman D. Bates, Esq.,Christine Army, MA,2015-12-15 Child sexual abuse CSA is an insidious crime that can destroy the lives of innocent children and leave their families devastated The topic of child sexual abuse is at best a difficult subject to discuss and at worst a horrifying one Child sexual abuse has been defined as Child sexual abuse involves any sexual activity with a child where consent is not or cannot be given This includes sexual contact that is accomplished by force or threat of force regardless of the age of the participants and all sexual contact between an adult and a child regardless of whether there is deception or the child understands the sexual nature of the activity Sexual contact between an older and a younger child also can be abusive if there is a significant disparity in age development or size rendering the younger child incapable of giving

informed consent The sexually abusive acts may include sexual penetration sexual touching or non contact sexual acts such as exposure or voyeurism The following is a representative list of risk factors related specifically to child sexual abuse within youth serving organizations Note that the emphasis is on unsupervised access to children in a variety of ways Unsupervised contact with children Transportation of children Long term contact with children in live in situation Extreme physical exertion in a remote setting with children Visit to children s homes Helping children change clothes bathe or with other personal activities Coaching sports in which physical contact between adult and child is routine Delivery of meals to children s homes While many of the YSO s have undertaken a number of steps to keep the children safe there are many such organizations that have not faced the facts about the profound risks to children that exist every day
