Alien Savior Nicole Krizek, 2013-08-30 The first book in the Arathian Series Lacy Woods thought that there could be nothing worse than being stolen from Earth by an alien poacher until she s thrust onto the auction block and sold as a slave on an alien planet Standing on stage surrounded by the galaxy s nastiest criminals she has little hope Kor and Ty are a mated pair that have been searching throughout the galaxy for a species that can save their race from extinction They never expected to come across a rare Earther female being auctioned as a slave Unable to deny her exotic beauty and a chance to test her DNA they buy her What the males don t expect is the intense lust they feel for the small female and the protective urges that tell them to keep her safe at all costs When enemies close in on Earth Lacy will need the Arathians help to protect her planet and the males she has come to love Warning Contains explicit HOT sex with multiple alien partners bi sexuality and homosexuality m f m m m f NOW AVAILABLE on Amazon Alien Rescue Book 2 in the Arathian Series

Alien Rescue Nicole Krizek, 2019-01-07 This is the 2nd edition of Alien Rescue COMPLETELY rewritten and re recorded Without the ability to reproduce on their own the Arathians have been facing extinction A decade later they d had their first sign of hope Earthers could mate with them and bear Arathian mixed babies Ambassador Rexvan fights for his people in his own way at negotiation tables Now onboard the Adastra with Kor Ty and Lacy Rex must convince the Grays to allow them to take Earthers to their homeworld so that they can find mates and hopefully create the next generation of Arathians He s determined to succeed the future of his race is hanging in the balance Once a life saving surgeon Maggie Walsh of Earth is dying from cancer With only days left a handsome stranger gives her a choice stay on Earth and die from her illness or be cured and live in space Easiest Decision Ever Rescuing Maggie was supposed to be the first step in finding her an Arathian mate but Rex doesn t want to relinquish her to another male He wants her for himself Warning Contains HOT explicit and very consensual M F sex Reviews from Alien Rescue s 1st edition Great series should be able to be read alone yet keep you in touch and updated with the previous characters This romance offers

both Nicole offers a new vision into the alien romance arena Her heroines are able to maintain a professional profile while falling for the hero who supports her in her role In addition the medical science was accurately reflected within her writing I am looking forward to reading more of this series from this refreshingly new author I read part 1 of this series and enjoyed Ty Kor and Lacy s story but I like part 2 even better I don t want to give away too much but the plots with the airplane and the Earth like planet were unexpected any showcased the author s superb story telling The main characters Maggie and Rex were those you root for as their love story unfolded As a nurse I liked reading about the alien medical advances Can t wait for part 3 I loved the first book and I have been checking every few days to see if the sequel was out and I was thrilled to find it It Alien Rescue was great It took a very different plot turn than what I was expecting but I really liked it This series has adventure great plots endearing characters and smokin HOT romance I absolutely recommend this series to those that like their Sci Fi with all of the afore mentioned qualities I am already excited for the next book I really liked this story The story line had different twist and turns and kept me interested the whole time This book was very different from the first book so I didn t just feel like the names had been changed and the story rewrote Very enjoyable I look forward to more from this author This was my first book by this author and I thoroughly enjoyed it I even went back and bought the first book in this series It has really good characters with very individual personalities I really like how the author builds up the romance into love and doesn t throw you into a sex scene I mean that happens with a WOW Theres suspense and action to keep you hooked The ending is a little surprising but I also love mysteries
