Abstract

Many people have said that the "real" test of a person's character is how they behave when no one is watching. This is a true statement, and it is one that we should all strive to live by. When we are alone, we are free to do as we please, and this is where our true character is revealed. If we can control our behavior when no one is watching, we can be confident that we are a person of integrity and honor.
