## **All Things Wise And Wonderful All Creatures Great And Small:**

All Things Wise and Wonderful E. Janet Warren, 2021-01-19 The Covid 19 pandemic provoked many questions It is human nature to want to know how and why things happen The sovereign God has created a beautiful intricate world in which multiple factors interact to cause an event We are called to properly understand creation but often fail because we tend to be lazy fearful and self serving We make judgments based on often incorrect assumptions about cause and effect relations and we seek reassuring explanations for both trivial and serious events Christians have the added complication of figuring out God s role in making things happen All Things Wise and Wonderful examines what the Bible and Christian theology say about cause and effect how science views causation in the world and how human mind brains judge causation Using illustrations from everyday life it offers guidance for Christians to think and act wisely with respect to how and why things happen in creation

**All Things Wise and Wonderful** James Herriot, 2012-05-17 The third collection of memoirs from the author who inspired the TV series All Creatures Great and Small Training as an RAF pilot in the smoke and bustle of wartime London is a far cry from James Herriot s day job as a country vet in the Yorkshire Dales And whilst he is keen to serve King and country James cannot help but miss his life in Darrowby despite frequent arguments between his colleagues Siegfried and Tristan bad tempered cattle opinionated farmers and the continuing saga of Cedric the flatulent dog But most of all he misses his wife Helen pregnant with their first child The question constantly hanging over them is will he be going to war And when will he get to go home Since they were first published James Herriot s memoirs have sold millions of copies and entranced generations of animal lovers Charming funny and touching All Things Wise and Wonderful is a heart warming story of determination love and companionship from one of Britain s best loved authors Contains Vets Might Fly and Vet in a Spin
