1 Ways To Improve Your Emotional Intelligence A Practical Approach:

Emotional Intelligence: Simple Strategies to Boost Your Leadership Skills (A Practical Guide to Making Friends With Your Emotions and Raising Your Eq) Rudy Johnson, As a business leader you're not just one thing. You wear a variety of hats and you have to show up appropriately in every context. That's a tall order, but it becomes a whole lot easier when you have emotional intelligence on your side. You operate in a corporate environment yet you have to take a personal approach to managing your team and interacting with partners and other leaders. That, after all, is how you build trust and understanding and when that's the foundation of your business, you have a team that's on your side and ready to bring your goals to life. Inside, you'll discover what emotional intelligence is and how it affects your relationships. How developing emotional intelligence can significantly improve your life in all areas. How to decode the emotional and psychological messages that affect your thought pattern. The underlying causes of poor interpersonal skills. The 21-day Challenge to help you restructure your life and improve your relationships. Improve your personal and professional relationships by learning a range of mental skills that can help you to successfully manage both yourself and the demands of working with others. Teaching you to stay in control, interpret body language, and cope with negativity. This practical guide will help you to become aware of your own feelings and those of others, understand them, and manage their impact. Emotional Intelligence : 21 Effective Tips To Boost Your EQ (A Practical Guide To Mastering Emotions, Improving Social Skills & Fulfilling Relationships For A Happy And Successful Life) Alison L. Alverson, 2019-05-02 If you want to fulfill your emotional potential and create a content life full of strong and rewarding relationships, then keep reading. Have you ever found yourself doing or saying something in the heat of the moment that you later regretted? Perhaps you laid awake all night wondering why you had spoken or acted in this way. Can you recall more than one occasion where you lost control of yourself and it felt as if something else had taken over you? Don't worry. You're not alone. The thing that took control of you was your emotions. Did you know 71% of top managers believe that emotional intelligence is more important for business than IQ, with 59% saying they wouldn't hire someone who had a very high IQ but a low emotional intelligence. Up to 50% of your marital happiness depends on emotional intelligence, as the more emotionally intelligent you are, the better at communication you will be, leading to a more satisfying, long-lasting relationship. People with low emotional intelligence are 70% more likely to get cancer and 19% more likely to have a heart attack. As you can see, discovering the secrets to becoming emotionally intelligent will have a positive impact on your career, your relationships, and your health. In this book, Emotional Intelligence, you will discover the 7 basic emotions and how they affect your brain. The differences between the 2 types of intelligence. The 6 most important aspects of your life which can be boosted by better emotional intelligence. How to recognize the 12 signs that someone has low emotional intelligence.
