Mavengano,Sophia Chirongoma,2023-04-28 Volume one of *Electoral Politics in Zimbabwe* pays special attention to the overarching view that the 2023 harmonized elections define the fate of the major presidential contenders and their parties as well as re shaping the political and economic trajectories of the nation Cognizant of the complex nature of the Zimbabwean political realm and nuanced dynamics at play the chapters in this volume cover three interrelated themes the electoral environment in Zimbabwean politics language politics and elections in Zimbabwe and lastly electoral institutions and human rights in Zimbabwean politics The chapters foreground the ongoing tensions and politicking between the two main rivals the ruling party ZANU PF and the main opposition party the Citizens Coalition for Change CCC The contributors also highlight the impact of internal tensions and factionalism within the contending parties the apparent voter apathy disconcerting voices due to claims about lack of transparency and a toxic political space as factors impacting on the outcome of the 2023 presidential elections The volume will appeal to academics and practitioners in politics human rights religion gender media languages linguistics and development studies      **Financial Inclusion and Digital Transformation Regulatory**

**Practices in Selected SADC Countries** Howard Chitimira,Tapiwa Victor Warikandwa,2023-03-28 This book investigates the regulation and promotion of financial inclusion and provides a comparative analysis of the regulation promotion and enforcement of the relevant laws in the SADC in particular South Africa Namibia Botswana and Zimbabwe as well as the challenges of financial inclusion In turn it evaluates financial inclusion in the context of specific challenges faced by unbanked and underbanked customers who are easy targets for cyber criminals because they tend to have lower levels of digital literacy The book presents novel discussions that identify the challenges and flaws associated with the enforcement of

financial inclusion laws and related measures intended to promote financial inclusion in the SADC region This is primarily done in order to reveal the current strengths and weaknesses of financial inclusion laws in relation to certain aspects of the companies securities and financial markets in the region For example there is no common financial inclusion instrument law that is effectively and uniformly applied throughout the SADC This has impeded the enforcement authorities efforts to effectively combat financial exclusion across the region The book is likely the most comprehensive study to date on the regulation and promotion of financial inclusion in the SADC region and fills a major gap in SADC and African legal jurisprudence As such it offers a valuable asset for policymakers attorneys bankers securities share holders and other market participants who deal with financial inclusion as well as undergraduate and graduate students interested in the topic
