Narrative Inquiry in Language Teaching and Learning Research Gary Barkhuizen, Phil Benson, Alice Chik, 2024-08-30 Narrative Inquiry in Language Teaching and Learning Research is the only entry level introduction to research methods using stories either as data or as a means of presenting findings and a practical guide for those interested in carrying out narrative studies This successful text is grounded in published empirical research within the field of language teaching and learning and clearly defines basic concepts in narrative inquiry explaining how and why narrative methods have been used in language teaching and learning research and outlining different choices and approaches It also examines the different ways of eliciting analyzing and presenting narrative inquiry data which offers exciting prospects for language teaching and learning research This second edition has been fully revised and updated to reflect the latest research and

includes new sections on multimodal digital narrative research and the reporting of findings in dissertations and theses This original and well respected textbook is an ideal course book for specialist courses on narrative inquiry in language teaching and learning It is an excellent entry level text for undergraduate students preparing honours projects postgraduate masters and doctoral students embarking on narrative projects and more advanced researchers seeking to understand the role of narrative inquiry in language teaching and learning research It is also the go to choice as a reference on narrative in more general applied linguistics research methodology courses

Social Media and Language Learning Yeong-Ju Lee, 2025-08-22 This book explores creative uses of social media for informal language learning It focuses on the underexplored area of how informal language learning adapts to technological innovations in two multimodal media sharing platforms TikTok and Instagram Drawing on ecological perspectives of language learning and spatial understandings of digital technology and learning the research reported in this book unpacks how social media technologies are used for language learning It presents insights from a dual level qualitative methodological design a comparative study of public online data of social media posts collected from TikTok and Instagram and a multiple case study based on ethnographic narrative data gathered from participants journal entries stimulated recall interviews and social media posts This book reveals the dynamic landscape of digital language learning that is being integrated into learners everyday lives through multimodal content creation and networking This book enriches readers understanding of social media s role in language learning and offers pedagogical strategies for teachers to integrate newer technologies and multimodal materials into language classrooms to enhance students learning experiences

Multilingualism in the Australian Suburbs Ruth Fielding, 2015-04-25 This book introduces a framework for examining bilingual identity and presents the cases of seven individual children from a study of young students bilingual identities in an Australian primary school The new Bilingual Identity Negotiation Framework brings together three elements that influence bilingual identity development sociocultural connection investment and interaction The cases comprise individual stories about seven young bilingual students and are complemented by some more general investigations of bilingual identity from a whole class of students at the school The framework is explained and supported using the students stories and offers readers a new concept for examining and thinking about bilingual identity This book builds upon past and current theories of identity and bilingualism and expands on these to identify three interlinking elements within bilingual identity The book highlights the need for greater dialogue between different sectors of research and education relating to languages and bilingualism It adds to the increasing call for collaborative work from the different fields interested in language learning and teaching such as TESOL bilingualism and language education Through the development of the framework and the students stories in this study this book shows how multilingual children in one school in Australia developed their identities in association with their home and school languages This provides readers with a model for examining bilingual identity in their own contexts or a theoretical construct to

consider in their thinking on bilingualism language and identity *Automated Grammatical Error Detection for Language Learners, Second Edition* Claudia Leacock, Michael Gamon, Joel Alejandro Mejia, Martin Chodorow, 2022-06-01 It has been estimated that over a billion people are using or learning English as a second or foreign language and the numbers are growing not only for English but for other languages as well These language learners provide a burgeoning market for tools that help identify and correct learners writing errors Unfortunately the errors targeted by typical commercial proofreading tools do not include those aspects of a second language that are hardest to learn This volume describes the types of constructions English language learners find most difficult constructions containing prepositions articles and collocations It provides an overview of the automated approaches that have been developed to identify and correct these and other classes of learner errors in a number of languages Error annotation and system evaluation are particularly important topics in grammatical error detection because there are no commonly accepted standards Chapters in the book describe the options available to researchers recommend best practices for reporting results and present annotation and evaluation schemes The final chapters explore recent innovative work that opens new directions for research It is the authors hope that this volume will continue to contribute to the growing interest in grammatical error detection by encouraging researchers to take a closer look at the field and its many challenging problems Perspectives on Teaching Workplace English in the 21st Century Mable Chan, 2023-07-13

This collection bridges the gap between research and practical applications by showcasing the latest research developments on business English as a lingua franca and the ways in which they might better inform language teaching practice Featuring contributions from both established and emerging researchers in the field this book brings together research findings on business and workplace English pedagogy with a focus on addressing issues and challenges around spoken communicative needs in the workplace The volume explores spoken communication in the business context across a diverse range of settings and media including oral presentations small talk meetings business negotiations and interviews Taken together the book offers an up to date synthesis of research on key topics at the intersection of spoken workplace communication and language teaching toward facilitating more engaged empirically grounded business English as a lingua franca teaching This book will be of particular interest for students and scholars in business communication workplace communication and English for specific purposes **Multilingual Selves and**

Motivations for Learning Languages other than English in Asian Contexts Anas Hajar, Syed Abdul Manan, 2024-07-16 This edited volume focuses on the experiences of individuals learning languages other than English LOTEs in a range of Asian contexts that have traditionally been under represented in the literature Aligning with the multilingual turn in SLA it views learners as individuals of a multilingual society with unique complex heterogenous and dynamic identities The chapters explore the learners motivational trajectories multilingual identities and their conceptualisations of the ideal multilingual self This volume enhances our critical understanding of language learning motivation through empirical findings and conceptual

insights from studies of motivation in specific regions in Asia including Greater China Indonesia Japan Kazakhstan Malaysia Pakistan and Syria Providing insight into the multilingual identities of individuals learning LOTE it will appeal to students and scholars in second language acquisition researchers in language learning motivation and policymakers in language education

Enabling Indigenous Knowledge Systems in Action Research and Action Learning Mapotse, Tomé Awshar, Tetteh, Emmanuel N. A., Matsekoleng, Tsebo Kgoto, 2025-05-29 After centuries of colonialism and imperialism many indigenous knowledge systems have been purposefully disregarded and forgotten to the point that the vast majority of the public but specifically researchers are completely unaware of their existence By utilizing these systems in conjunction with action learning and action research it can be possible to garner perspective and influence from all types of people regardless of their social or economic standing in working towards an inclusive and prosperous global society Enabling Indigenous Knowledge Systems in Action Research and Action Learning encourages researchers the world over to apply Indigenous Knowledge Systems IKS using Action Research and or Action Learning AR AL approaches in their fields of specialization The AR AL framework approaches and methodologies cut across almost all field of studies Covering topics such as action research and learning coloniality and professional development this book is an excellent resource for researchers academicians educators pre service teachers sociologists and more

Indigenous Teaching Disciplines and Perspectives for Higher Education Kgari-Masondo, Maserole Christina, 2025-03-28 Literature indicates that sociolinguists and educationists often claim multilingual practice and Africanizing and Indigenizing education will jeopardize national unity and social cohesion Such claims delay the implementation of decolonization policies and the transformation of the curriculum under false assumptions However research reveals many Indigenous students struggle with higher educational content which is often presented through languages that are unfamiliar to them This implies that there is a need to uncover resources that can assist in necessitating the implementation of Indigenous education globally and that all multilingual strategies in education must be based on quality mother tongue illustrative content as its foundation As a result further research on the subject is necessary to enhance teaching strategies that reach all Indigenous students Indigenous Teaching Disciplines and Perspectives for Higher Education illustrates the need for the implementation of a decolonized teaching and learning curriculum with integrated resources as models It explores how to improve Indigenous knowledge content and teaching methods Covering topics such as cultural identity African research methodology and Indigenous media this book is an excellent resource for teachers policymakers school administrators researchers scholars academicians and more

Transforming the Workforce With Microcredentials Maming, Jimmy Bernabe, 2025-10-09 As the workforce rapidly evolves in response to technological advancement traditional education and training models are increasingly being supplemented by microcredentials These flexible certifications are transforming the workforce by offering lifelong learning across a wide range of sectors By bridging the gap between academic institutions and labor market needs microcredentials

empower workers to remain competitive and adaptable while enabling employers to more effectively identify and develop talent in a fast changing economy Transforming the Workforce With Microcredentials explores how microcredentials are transforming the workforce for the better This book analyzes how microcredentials empower individuals to adapt upskill and thrive in this dynamic environment Covering topics such as artificial intelligence gig economy and workforce development this book is an essential resource for educators business leaders human resource professionals researchers academicians and more

2025 Edition Language Learning Introduction

In the digital age, access to information has become easier than ever before. The ability to download 2025 Edition Language Learning has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download 2025 Edition Language Learning has opened up a world of possibilities. Downloading 2025 Edition Language Learning provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading 2025 Edition Language Learning has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download 2025 Edition Language Learning. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading 2025 Edition Language Learning. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading 2025 Edition Language Learning, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download 2025 Edition Language Learning has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on

a journey of continuous learning and intellectual growth.

FAQs About 2025 Edition Language Learning Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
