Apprendre l'anglais en jouant avec Learning English level 1 From Learning to Assessment Hong Kong. Education Department. Resource Development Team (English), 1996 **Serious Fun in English Book 1** Tania Roxborough, Kathryn Fitzgerald, 2019-12-16

Serious Fun in English is primarily written as a supplementary English skills workbook filled with short student-centred activities which focus on learning core skills and using vocabulary, language and punctuation skills as well as activities which draw upon comprehension skills. Each of the sections focuses on a particular skill such as close reading or making connections and has a wide range of activities, puzzles, spelling activities, word finds, punctuation activities, crosswords and dictionary skills as well as opportunities for original art and original stories via scaffolding. The level of difficulty of the tasks in each section ranges from very simple straightforward all the way through to challenging extension. A lot of the vocabulary used in the tasks comes from the first 1000 words of the Academic Word list. Students can work through the book on their own via set class work but the book can also be used as in-class study as there is opportunity for teachers to extend on the tasks included as there is scope for pair and group work to enhance the learning and enjoyment.
