for her missing daughter against a wall of indifference to Detective Viktor Burakov who risked his career to expose the truth this book shines a light on the shadows of Rostov on Don and the empire that enabled them With chilling detail and unflinching honesty Johann Bachmann examines the psychology of Chikatilo the societal rot that shielded him and the courage of those who refused to remain silent More than a biography of a murderer this is a story of resilience justice and the consequences of ignoring the darkness within For readers of true crime history and criminal psychology this book is both a harrowing account of a killer and a stark reminder monsters thrive when systems fail **Serial Killers of Russia** Wensley Clarkson,2021-11-09 For fans of Christopher Berry Dee s Talking with Serial Killers series this chilling new book explores the dark heart of Russia For decades it has been assumed that the United States of America was the serial killer capital of the world Now criminologists believe that Russia and previously the Soviet Union has been secretly the biggest home of serial killers for almost a century In Serial Killers of Russia bestselling true crime author Wensley Clarkson reveals the inside stories and gruesome details behind the country s most notorious and previously unknown murderers Using information from a vast range of new and archive sources Clarkson tells stories of the dangerous the devious and the truly shocking and tackles why the nation has become a breeding ground for humanity s most evil These are the most horrifying cases from the darkest corners of Russia **Murder Most Moscow** Jon Lawson,2015-06-25 The very words serial killer are enough to strike fear into the heart of any normal person While many of us are fascinated by this criminal breed and cannot resist the morbid need to learn more about them we are also repulsed by the various atrocities and horrific acts that they are able to bring themselves to commit Amongst the best known serial killers not just in Russia but in the world is the insanely evil Andrei Chikatilo aka the Rostov Ripper However there were many other serial murderers in Russia that came before him and many that came after him some were even inspired by him In this book you can learn more about some of the most evil serial killers in Russia and the unbelievably horrific acts that they committed taking the lives of boys and girls men and women children and the elderly Take Vasiliy Kulik for example a serial killer from a wealthy background whose victim s ages ranged from just two through to seventy five Sergei Ryakhovsky was another killer that was not particularly bothered about age or gender with his victims ranging from children through to old age pensioners Another thing that is striking about many of these Russian serial killers is that many of them held down very respectable jobs before deciding to turn to murder as a new profession For example Mikhail Popkov was a police officer and was even involved in investigating some of the murders that he d actually committed himself Maxim Vladimirovich was an emergency doctor who used his position to gain the trust of vulnerable patients so that he could rob and murder them Anatoly Slivko ran his own children s club and Andre Chikatilo was a university graduate who had held down a number of teaching job In this book we look at the cases and crimes of some of the most prolific serial killers in Russia killers that have carried out crimes ranging from rape and sexual abuse through to murder cannibalism and necrophilia These are Russia s worst serial killers **The Red Ripper** Peter Conradi,2016-09-27

The shocking true story of the Russian serial killer who brutally murdered more than fifty victims and evaded capture for over a decade By the time he was brought to trial in 1992 Soviet serial killer Andrei Chikatilo had killed more than fifty women and children often sexually abusing them and leaving their bodies mutilated beyond recognition Although he was initially arrested in 1984 the police lacked enough evidence to pin the unsolved murders on him and he was able to torture and kill dozens more before his eventual conviction Compiling exclusive interviews and trial transcripts journalist and editor at London s Sunday Times Peter Conradi reveals how the grandfather and former teacher carried out a horrific twelve year killing spree right under the nose of authority Based on extensive research into Chikatilo s past and the elements of Soviet society that allowed his crimes to go unsolved for so long Conradi delves into the life of one of history s most prolific and disturbing serial killers Interviews with Moscow police detectives detail the fervent hunt for the man who preyed on young children prostitutes and runaways a search that turned up many dead ends and false convictions before a massive undercover surveillance effort ultimately nabbed Chikatilo A chilling look into the deranged mind of a monster The Red Ripper is a comprehensive and shocking true crime account plus photos of one of the twentieth century s deadliest killers and the manhunt to catch him
