

### Androcles and the Lion

Androcles was a boy who lived in Rome. He was a **slave** of a rich man from Africa. For years Androcles worked very hard, dreaming about **freedom**. One night Androcles escaped. He was **tired**, hungry and thirsty, and very scared. Soon Androcles found a small **cave** and he decided to sleep in this cave. Suddenly Androcles woke up; there was a huge lion in the cave, **roaring**. It was impossible to escape and Androcles thought that he would die. Then, Androcles saw that the lion was **limping** – he had a piece of metal in his paw. Androcles took the piece of metal and the lion **licked** him and went away.

A week later Androcles was captured again by the Roman soldiers. This time he was sentenced to **die** in the Roman arena in front of the public and the Emperor. In the arena, Androcles saw the wild animals appear and waited for **death**. Suddenly an animal began to lick him. It was the lion from the cave! The lion protected Androcles from the other animals. Everybody was very surprised and the Emperor called Androcles to his seat to explain what had happened. Androcles explained the whole story and the Emperor declared him a **free citizen** and gave him the good lion. The boy and the lion lived together for the rest of their lives.
