The President's Angel Carla Bruce, 2011-03-30 When their candidate for president dies from a massive heart attack on the eve of the party's convention the committee scrambles to find a replacement They agree that the cowboy charm of Drummond Wakefield junior senator from Wyoming is their best bet Appalled at first at the idea of becoming a replacement candidate and with only hours to make a decision Drum weighs the options and decides to go for it A major factor in his decision is the opportunity to run a campaign with no negative or derisive comments about the opposition This creates problems for the party chairman but Drum stands firm Three days after winning the election by a narrow margin he and his team fly to the family ranch in Wyoming to relax On a horseback ride to his favorite place in the mountains an angel appears to Drum and informs him that God has an important role for him to play in the restoration of godly values in America The idea of a God so vitally and personally involved in his life continually keeps Drum off balance He must deal with the puzzled reactions of his wife and others He reveals his renewed commitment to God but does not broadcast the story of the angels visit His boldness to propose new ways to deal with old issues upsets the status quo and a blackmail attempt forces him to admit and deal with an incident from his past As the light that has entered the president's life shines brighter penetrating the darkness of people and situations around him opposition escalates and culminates with an assassination attempt

All About Janet, the Murder of my Guardian Angel Forrest Canutt, 2017-01-25 In October of 1956 my twelve year old newly adopted orphan babysitter Janet Cash and I were staying the night alone on my uncle's northern California ranch During the night we were attacked by three men two of them were US Navy sailors Janet was beaten and gang raped by the three men throughout the night and I was tortured and assaulted In the morning Janet was taken to an area called the flats and viciously murdered by the two US Navy sailors They then buried Janet in a clandestine grave on my uncle's ranch For over twenty five years I have been looking for Janet I haven't found her yet but I have found two major news organizations and three government agencies that have conspired to cover up her disappearance murder and even her very existence Throughout those years I have been stonewalled been refused any information that might lead me to her But in spite of their efforts I have gathered enough proof and information to lead me to believe that my babysitter Janet wasn't just some sweet beautiful and courageous young girl from a broken home but quite possibly an important young girl maybe a very important young girl and if the right people knew about her back then her mere existence might have changed some important people's
