Notes

This simple notes guide does not ask you to answer a bunch of questions as you read. Instead, it asks you to **THINK** about what you read and record your own individual thoughts. There are three parts to this guide: 1. Your thoughts (momentary types are below) as you read, 2. Character charts to note information about each character, 3. History Timeline to chart the similarities between the story and Russian history. Complete the Notes as you read and at the end of every chapter work on the character charts and the timeline.

Comment Types:

- Predict: What do you think will happen next?
- Visualize: Describe the picture created in your mind.
- Question: Ask a thoughtful question/then try to answer it.
- Connect: Make a connection to your life.
- Clarify: Summarize what just happened.
- Evaluate: Is what just happened believable or not? Effective or not?
