What is the basic difference in orientation between financial and management accounting?

Management accounting is concerned with providing information to managers for their use internally in the organisation. Financial accounting is concerned with providing information to stockholders, creditors, and others outside of the organisation.

What are the three major activities of a manager?

Essentially, the manager carries out three major activities in an organisation: planning, directing and motivating, and controlling. All three activities involve decision making.

Describe the four steps in the planning and control cycle.

The Planning and Control Cycle involves the following steps: formulating plans, implementing plans, measuring performance, and evaluating differences between planned and actual performance.

Why do companies prepare budgets?

Answers For Management Accounting 6th Edition:

Problems & Solutions in Advanced Accountancy Volume I, 6th Edition Maheshwari S.N. & Maheshwari S.K., 2009-11-01
Any book on solved problems would be welcome by the students as they dread the unsolved problems the most. Problems and solutions in advanced accountancy Vol I and II is the result of realization of the same fact. However, this book will serve its purpose the best if before referring to it the students have attempted to solve the questions on their own. The book has been designed specially to serve as a complementary set to the textbook advanced accountancy Vol I and II authored by the same team as Dr S N Maheshwari and Dr S K Maheshwari. It contains detailed solutions to all the practical problems given at the end of each chapter in advanced accountancy as also solutions to the problems set at the recent university and professional examinations. A special feature of the book is that the problems have been properly graded.

ESSENTIALS OF FINANCIAL ACCOUNTING, SIXTH EDITION Bhattacharyya, Asish K., 2022-05-28
The book now in its sixth edition is updated and simplified without changing the structure and organization of chapters and sacrificing rigour. The pedagogy remains the same except that the illustrations and examples have been rearranged and placed immediately after the discussion of a principle and concept to make learning easy and more convenient for the readers. The book remains suitable for self-learning financial accounting by the students and corporate executives. The book is primarily intended for the students of undergraduate and graduate management programmes like MBA, MBA Executive, MBA online, PGDM, BMS and BBA programmes. Besides the students preparing for professional accounting programmes like CA, CMA and CS will also find this book as a resource.
