Poltergeist! A New Investigation Into Destructive Haunting John Fraser,2020-07-31 There are few factual books written about poltergeist phenomena John s Fraser s Poltergeist A New Investigation Into Destructive Haunting fills that void advancing and updating Colin Wilson s work Poltergeist this study s namesake from over 38 years ago Fraser takes readers on a journey from the Borley Rectory to the Isle of Man and grounds his readers in an historical overview of Poltergeist phenomena He examines where such events overlap with other paranormal investigations of apparitional ghosts What do they have in common what do they differ To answer this Fraser looks to new research on paranormal events never before published in book form Fraser contends perhaps controversially that ghost sightings are and always will be ambiguous and near impossible to prove that only Poltergeist phenomena can be empirically verified

Sanctification, Be Holy, a Guide to Discipleship Marc A. Carr,2012-05-08 We are to take to heart our personal holiness simply because we have been saved to do so The process of sanctification is essentially a three fold work First sanctification is the cleansing of the soul from sin

Second sanctification brings us to full stature in Christ Third sanctification separates us to the Lord for His purposes There will be in practicality varying degrees of thoroughness relative to the riddance of sin versus growth in Christ like stature because of the varying degrees of human cooperation with the Holy Spirit or lack thereof Still sanctification is the active work of the Spirit though such a calling may appear passive even absent due to the lack of knowledge the slothfulness and the rebellion of the saint It is these three that best represent much of our present religious atmosphere Where there is lack of knowledge about sanctification there has to be indolence laziness and rebellion in the form of indifference about personal holiness And rebellion is a very strong word that should not be used without qualification by the one making the charge or taken lightly by the one addressed To use the word with its passive counterpart in this case indifference is to bring an indictment against a sizeable portion of the body of Christ Life is about sin death then hell Or life is about God Christ and responding to the Holy Spirit To grasp the continual need of sanctification one has to know who the real enemy is in order to receive real relief by sanctification The real enemy is within We are self deceived whose roots of deception are affixed to Satan Adam and the fall in that order eventuating in our fallen nature in desperate need of God s provisions And thankfully God has supplied us with every provision through the process of sanctification Marc presently lives in Orlando Florida where he pastors Blessed Fellowship Orlando an outreach ministry of Orlando Prayer and Worship Center Senior Pastor Roy Futch
