Ketogenic Diet - Quick Start Guide Zoe Walker, 2013-12-16 Through much trial and error I've mastered the ketogenic diet. It sure was rough going at first. Like most people I found text books too theoretical and blogs were contradictory and difficult to read. It was also very challenging to find recipes that would keep me in ketosis. There was clearly an information gap I needed a quick start guide with concise explanations, tips and tricks and lots of practical everyday recipes. This guide fills all those gaps and I know from experimentation that all my tips, tricks and amazing recipes really work. You will be successful too. This e-book is designed to provide a practical and simplified guide to the ketogenic diet in easy-to-understand language that will facilitate a successful start. The book is organized into three parts. Part 1 provides a foundation of information to aid in understanding the basics of the ketogenic diet, how to get into ketosis and how to maintain it. Part 2 is full of tips and tricks to help you along the way. Part 3 contains a treasure of ketogenic recipes. A bibliography is also included for those who wish to pursue more detailed and technical information.

THE BUFF BAKER PRESENTS The Paleo Quick Start Guide Shawn Rashid, 2014-06-05 If you read every recipe in this book you probably know already how easy it is to cook Paleo and you realized that this diet is far from being as restrictive as other diets. That's the main reason why I rather call it the Paleo lifestyle than the Paleo diet. Once you go Paleo, returning to your former lifestyle is not an option as your health problems will be back as well. And why would you want to go back to a diet based on fats and sugar when you have this healthy option called Paleo? Healthy and hearty meals made exclusively with clean ingredients, delicious desserts and even gooey ones, amazing drinks and outstanding savory dishes, this is what Paleo has to offer you and this is the only way to get back your health and weight. I know how difficult it is to make the right decision when it comes to your diet and lifestyle, but you know there is no turning back and there should be no second thoughts either. Be determined and motivated and change your life today while you can still enjoy the benefits of such a change. It's all for the best and a positive change will bring more and more changes.
