Student Learning Abroad Michael Vande Berg,R. Michael Paige,Kris Hemming Lou,2023-07-03 A central purpose of this book is to question the claims commonly made about the educational benefits of study abroad Traditional metrics of enrollment increases and student self report and practices of structural immersion are being questioned as educators voice growing uncertainty about what students are or are not in fact learning abroad This book looks into whether these criticisms are justified and what can be done if they are The contributors to this book offer a counter narrative to common views that learning takes place simply

through students studying elsewhere or through their enrolling in programs that take steps structurally to immerse them in the experience abroad Student Learning Abroad reviews the dominant paradigms of study abroad marshals rigorous research findings with emphasis on recent studies that offer convincing evidence about what undergraduates are or are not learning brings to bear the latest knowledge about human learning and development that raises questions about the very foundations of current theory and practice and presents six examples of study abroad courses or programs whose interventions apply this knowledge This book provokes readers to reconsider long held assumptions beliefs and practices about teaching and learning in study abroad and to reexamine the design and delivery of their programs In doing so it provides a new foundation for responding to the question that may faculty and staff are now asking What do I need to know and what do I need to be able to do to help my students learn and develop more effectively abroad Contributors Laura BathurstMilton BennettGabriele Weber BosleyJohn EngleLilli Engle Tara HarveyMitchell HammerDavid KolbBruce La Brack Kris Hemming LouKate McClearyCatherine MenyhartR Michael PaigeAngela PassarelliAdriana Medina Lopez PortilloMeghan QuinnJennifer Meta RobinsonRiikka SalonenVictor SavickiDouglas StuartMichael Vande BergJames ZullWhile the authors who have contributed to Student Learning Abroad are all known for their work in advancing the field of education abroad a number have recently been honored by leading international education associations Bruce La Brack received NAFSA's 2012 Teaching Learning and Scholarship Award for Innovative Research and Scholarship Michael Paige 2007 and Michael Vande Berg 2012 are recipients of the Forum on Education Abroad's Peter A Wollitzer Award

This trauma informed approach to counselling and bodywork explores the ways in which varying facets of identity and culture manifest in the body allowing a much more nuanced person centred approach to client care Marcia Bonato Warren MA MA LPC describes how our bodies interpret our identities often informed by cultural norms communication styles trauma and systems of power and oppression Therapists and bodyworkers reading this book will have the opportunity to engage personally and professionally learning to build on their own somatic awareness in order to engage with compassionate curiosity rather than resistance when confronted with identity based differences Each section uses the SIA Loop a mechanism representing three entry points we use to process information Sensation Interpretation Action which supports the deeper work offered by the Identity Expression Infinity Loop where identities are invited to move with strength and skill These pioneering tools allow readers to examine their own somatic experiences beliefs behaviours and choices all of which is supplemented with journal prompts and questions In guiding readers in how to interpret the body's expression of identity this unique guide maximises the potential of therapists to foster change increase empathy and nurture connection through trauma informed somatically aware bodywork

International Higher Education's Scholar-Practitioners Bernhard Streitwieser, Anthony C. Ogden, 2016-03-01 The idea of the professional who bridges both research and practice has been largely overlooked and at times even disregarded by the academic and administrative structures that govern activity in higher education today In international higher education the number of students who now engage in mobility and exchange has expanded globally along with the administrative cadre that manages all facets of internationalization and the quickly growing scholarly attention to understanding the phenomenon In this process two distinct professional categories have emerged those who study it and those who do it the scholars and the practitioners Practitioners are seen as those who manage the daily logistical flow of students and personnel around the globe while scholars are seen as those who conduct research collect and analyze data and publish findings to inform improve and justify the activity Yet this dichotomy is overly simplistic outdated and excludes the large and growing class of hybrid scholar practitioners who now engage regularly in both kinds of activity It is this rapidly growing population of bridge builders that are profiled and discussed in this book through critical essays on the notion of the scholar practitioner and its implication for the further development of international higher education The chapters include detailed analyses from university faculty senior international officers and other high level administrators directors of research centers key leaders from influential professional associations and private organizations managers of study abroad and exchange and graduate students This book launches a much needed dialogue about the perception and reality potential and promise of the scholar practitioner in higher education today It will be of relevance to a wide variety of readers from those within universities and organizations to those who are outside

observers of higher education *Multicultural America* Carlos E. Cortés, 2013-08-15 This comprehensive title is among the first to extensively use newly released 2010 U S Census data to examine multiculturalism today and tomorrow in America This distinction is important considering the following NPR report by Eyder Peralta Based on the first national numbers released by the Census Bureau the AP reports that minorities account for 90 percent of the total U S growth since 2000 due to immigration and higher birth rates for Latinos According to John Logan a Brown University sociologist who has analyzed most of the census figures The futures of most metropolitan areas in the country are contingent on how attractive they are to Hispanic and Asian populations Both non Hispanic whites and blacks are getting older as a group These groups are tending to fade out he added Another demographer William H Frey with the Brookings Institution told The Washington Post that this has been a pivotal decade We re pivoting from a white black dominated American population to one that is multiracial and multicultural *Multicultural America* A Multimedia Encyclopedia explores this pivotal moment and its ramifications with more than 900 signed entries not just providing a compilation of specific ethnic groups and their histories but also covering the full spectrum of issues flowing from the increasingly multicultural canvas that is America today Pedagogical elements include an introduction a thematic reader s guide a chronology of multicultural milestones a glossary a resource guide to key books journals and Internet sites and an appendix of 2010 U S Census Data Finally the electronic version will be the only reference work on this topic to augment written entries with multimedia for today s students with 100 videos with transcripts from Getty Images and Video Vault the Agence France Press and Sky News as reviewed by the media librarian of the Rutgers University Libraries working in concert with the title s editors **Forum** , 1980 **Intercultural Communication** Everett M.
