I Can Compare and Contrast!

Gorillas

Orangutans

Gorillas are the largest animal in the primate family. Most gorillas live on mountains in Africa. They do not spend much time in trees. They like to spend most of their time on the ground. Gorillas have big bodies and large heads. Gorillas have brown or black hair all over their bodies. Gorillas have two arms and two legs that they use to walk. Their arms are longer than their legs. Gorillas live with each other in groups called troops. Gorillas like to eat fruit, plants, and insects. When a male gorilla gets older, his back gets silver hair. These are called silverback gorillas. A female gorilla has one baby at a time. The baby rides on the mom's back. The baby will stay with the mom for three years.

Orangutans are primates. They live in forests in Asia. Orangutans spend most of their time in trees. Orangutans have two arms and two legs. Their arms are very long. Their long arms help them climb and swing in trees. Orangutans have red hair. Orangutans like to live alone. They eat fruit, plants, and insects. A female orangutan will have one baby at a time. The baby will hold on to the mom and she will carry it around with her. Once the baby gets older, it can ride on the mom's back. The baby stays with the mom for a long time! Up to eight years!

8 support students in these efforts It provides information for adjusting instruction to enhance reading comprehension close reading vocabulary development writing and media skills speaking and listening and much more Sample test items for each grade level round out this resource

Reading Assessment in an RTI Framework

Katherine A. Dougherty Stahl,Michael C. McKenna,2012-01-01 The importance of Response to Intervention has never been clearer We strongly believe that RTI when fully implemented represents our best hope of building the kind of schoolwide framework necessary for making truly informed choices about the type and intensity of the reading instruction children receive Our goal for this book is to offer the guidance needed to use these and other tools in an RTI framework This is a book about the assessment component of RTI We offer guidance and tools for gathering the information needed in an RTI framework We have tried our best to write a book that is both practical and specific that reflects both research and common sense that is consistent with standards and that affords guidance in the issues central to RTI

Handbook of Reading Disability Research

Anne McGill-Franzen,Richard Allington,2010-09-17 Bringing together a wide range of research on reading disabilities this comprehensive Handbook extends current discussion and thinking beyond a narrowly defined psychometric perspective Emphasizing that learning to read proficiently is a long term developmental process involving many interventions of various kinds all keyed to individual developmental needs it addresses traditional questions What is the nature or causes of reading disabilities How are reading disabilities assessed How should reading disabilities be remediated To what extent is remediation possible but from multiple or alternative perspectives Taking incursions into the broader research literature represented by linguistic and

anthropological paradigms as well as psychological and educational research the volume is on the front line in exploring the relation of reading disability to learning and language to poverty and prejudice and to instruction and schooling The editors and authors are distinguished scholars with extensive research experience and publication records and numerous honors and awards from professional organizations representing the range of disciplines in the field of reading disabilities Throughout their contributions are contextualized within the framework of educators struggling to develop concrete instructional practices that meet the learning needs of the lowest achieving readers Spectrum Test Prep, Grade 4

Spectrum,2015-01-05 Spectrum Test Prep Grade 4 includes strategy based activities for language arts and math test tips to help answer questions and critical thinking and reasoning The Spectrum Test Prep series for grades 1 to 8 was developed by experts in education and was created to help students improve and strengthen their test taking skills The activities in each book not only feature essential practice in reading math and language arts test areas but also prepare students to take standardized tests Students learn how to follow directions understand different test formats use effective strategies to avoid common mistakes and budget their time wisely Step by step solutions in the answer key are included These comprehensive workbooks are an excellent resource for developing skills for assessment success Spectrum the best selling workbook series is proud to provide quality educational materials that support your students learning achievement and success
