And Miles To Go Before I Sleep Jocelyne Saucier, 2021-06-15 Away From Her meets Strangers on a Train in this follow up to cult bestseller And the Birds Rained Down After And The Birds Rained Down a stunning meditation on aging and freedom Jocelyne Saucier is back with her unique outlook on self determination in this unsettling story about a woman s disappearance Gladys might look old and frail but she is determined to finish her life on her own terms And so one September morning she leaves Swastika her home of the past fifty years and hops on the Northlander train eager to put thousands of miles of northern Quebec between her and the improbably named village and leaving behind her perennially tormented daughter Lisana Our mysterious narrator who is documenting these disappearing northern trains is eager to uncover the truth of Gladys s voyage tracking down fellow passengers and train employees for years to learn what happened to Gladys and her daughter and why

Miles to Go Before I Sleep Jerry McGinley, 2003 Tom Murphy a veteran of the famed New York Irish Brigade is now the sheriff of Murdock Texas Haunted by ghosts of the past Murphy has managed to build a decent life for himself and his family But that life is threatened when the Texas Rangers ask him to carry out the clandestine execution of a beautiful young prostitute convicted of murder The woman harbors a deadly secret Murphy is forced to confront a spectre from his own past and face the possible destruction of his family

Selected Poems Victor Hugo, 2013-05-13 This generous varied selection of poems by one of France s best loved and most reviled poets is presented with facing originals detailed notes and a lively introduction to the author s life and work Steven Monte presents more than eighty poems in translation and in the original French taken from the earliest poetic publications of the 1820 s through collections published during exile to works published in the years following Hugo s death in 1883 The introduction provides helpful background information about Hugo s life and work the selection and what is involved in translating a poet whose effortless rhymes are central to the poetry s power Detailed notes at the back of the volume offer information about the poems and their publishing and historical contexts This is an ideal introduction to a poet whose work for all its renown remains for Anglophone readers undiscovered

Curriculum Windows Thomas S. Poetter, Kelly Waldrop, Tasneem Amatullah, Cleighton Weiland, Jody Googins, Vanessa Winn, 2017-04-01 Curriculum Windows What Curriculum Theorists of the 1990s Can Teach Us about Schools and Society Today is an effort by students of curriculum studies along with their professor to interpret and understand curriculum texts and theorists of the 1990s in contemporary terms The authors explore how key books authors from the curriculum field of the 1990s illuminate new possibilities forward for us as scholar educators today How might the theories practices and ideas wrapped up in curriculum texts of the 1990s still resonate with us allow us to see backward in time and forward in time all at the same time How might these figurative windows of insight thought ideas fantasy and fancy make us think differently about curriculum teaching learning students education leadership and schools Further how might they help us see more clearly even perhaps put us on a path to correct the mistakes and missteps

of intervening decades and of today The chapter authors and editor revisit and interpret several of the most important works in the curriculum field of the 1990s The book's Foreword is by renowned curriculum theorist William H Schubert **Miles to go before I sleep** Average Joes, 2015-02-25 The Race Around Ireland is a non stop 2 200 km bicycle race that circumnavigates the island of Ireland anti clockwise It is held every year at the start of September and can be approached as a solo competitor as a team of two four or eight In January of 2014 a group of cyclists from Maynooth Students for Charity Cycling Club decided to take on the challenge They were told it was the toughest endurance race in Europe This is the story as told through the recollections of the participants of how a bunch of Average Joes conquered the race and set a new Irish record time It is a story of great adventure of beating the odds of battling inner demons and exceeding expectations Ultimately it is a story of teamwork and lifelong friendship because that's what won the race *A Psychological Biography of Hiram "Hank" Williams* Paul R. Nail, Ph.D., 2024-04-09 Volume II picks up in 1943 44 right where Volume I left off with Hank's courtship and marriage to first wife Audrey Sheppard Guy Williams his rise to fame at the Louisiana Hayride 1948 49 and at the Grand Ole Opry 1949 50 before success began closing in on him by December 1950 Hank was only 27 years old at the time and no one knew that he had only two more years to live Despite Hank's growing alcoholism marital and health problems and eventual addiction to prescription drugs his last two years were perhaps the most productive and successful of his career A special feature of Volume II is that Dr Nail devotes an entire chapter to the art and craft of songwriting Here Nail provides what I believe is the most accurate and comprehensive analysis to date of the relative contributions of Hank and his publisher song editor Fred Rose to Hank's songs Like Volume I Volume II is a must read for anyone seeking greater understanding and insight into the short but fabulous life and career of the legendary Hank Williams I wholeheartedly recommend it Ed Guy noted Hank Williams expert *Auctor Ludens* Gerald Guinness, Andrew Hurley, 1986-01-01 This is a book about play practice rather than play theory Of course practice presupposes theory but here the editors choose to keep general theoretical assumptions under cover rather than force them into explicitness The contributors to this volume were given free rein to discuss whatsoever aspect of literary play caught their fancy The absence of a predetermined theoretical framework has resulted in an idiosyncratic volume on the different forms of play Advances in Medical Imaging. Detection, and Diagnosis Raj Bawa, Gerald F. Audette, S. R. Bawa, Bela Patel, Bruce D. Johnson, Rajeev Khanna, 2023-10-18 Medical care is the most critical issue of our time and will be so for the foreseeable future In this regard the pace and sophistication of advances in medicine in the past two decades have been truly breathtaking This has necessitated a growing need for comprehensive reference resources that highlight current issues in specific sectors of medicine Keeping this in mind each volume in the Current Issues in Medicine series is a stand alone text that provides a broad survey of various important topics in a focused area of medicine all accomplished in a user friendly yet interconnected format This volume addresses advances in medical imaging detection and diagnostic technologies Technological innovations in these sectors of medicine

continue to provide for safer more accurate and faster diagnosis for patients This translates into superior prognosis and better patient compliance while reducing morbidity and mortality Hence it is imperative that practitioners stay current with these latest advances to provide the best care for nursing and clinical practices While recognizing how expansive and multifaceted these areas of medicine are Advances in Medical Imaging Detection and Diagnosis addresses crucial recent progress integrating the knowledge and experience of experts from academia and the clinic The multidisciplinary approach reflected makes this volume a valuable reference resource for medical practitioners medical students nurses fellows residents undergraduate and graduate students educators venture capitalists policymakers and biomedical researchers A wide audience will benefit from having this volume on their bookshelf health care systems the pharmaceutical industry academia and government
