Discovering Statistics Using IBM SPSS Statistics Andy Field, 2013-02-20 Lecturers/instructors request a free digital inspection copy here. With a little help from his weird band of characters, the Fourth Edition of the award-winning book continues with its unique blend of humour and collection of bizarre examples to bring statistics from first principles to advanced concepts well and truly to life using IBM SPSS Statistics. Lecturers with WebAssign can manage and monitor your students' progress quickly and easily online or give them more opportunities to practise. Ideal for short courses, choose to use WebAssign alongside the Fourth Edition of Andy Field's textbook to quickly set up courses and schedule assignments using the 2159 questions available and track individual performance so you can spot in an instant where more instruction or practice is needed. If not using for formal assessment, WebAssign still lets you set questions for your students to practise over and over again. They get instant feedback and also links to the relevant chapter or section in the integral ebook to help them work out the correct solution. For more information on how to integrate WebAssign into a forthcoming course or to arrange a class test, please contact your local SAGE representative for more details. Students, please note access to WebAssign is dependent not only on the purchase of a student access code (ISBN 9781446273043) but also a username/institution code and password supplied by your course leader/instructor.
