Next Door When a beloved wife and mother disappears a luxurious condo building transforms into a potential crime scene and the investigation begins Can the detectives find her before it s too late Bryden and Sam have it all thriving careers a smart apartment in a luxury condominium supportive friends and a cherished daughter The perfect life for the perfect couple Then Sam receives a call at his office Bryden working from home that day has failed to collect their daughter from daycare Arriving home with their little girl he finds his wife s car in the underground garage Upstairs in their apartment her laptop is open on the table her cell phone nearby her keys in their usual place in the hall Except Bryden is nowhere to be seen It s as if she just walked out How can she have disappeared from her own home And did she even leave the building at all With every minute that passes and as questions swirl around their community Bryden and Sam s past seems a little less perfect their condominium less safe their friends neighbours and relatives no longer quite so reliable *The Rebel Rancher* Donna Alward,2012-06-05 With his break your heart smile rodeo star and rebel Ty Diamond has a reputation that should have Clara Ferguson running scared not straight into his arms Ty knows he needs to take it easy with Clara her past has left her with a bruised heart and she s determined never to rely on a man again But Ty isn t all he seems and his gentle side shakes Clara s resolute independence to its breaking point P 4 of cover *Death in White Pyjamas & Death Knows No Calendar* John Bude,2024-04-02 Mystery crime fiction written in the Golden Age of Murder Two mysteries of the kind John Bude does best with well drawn and authentic period settings and a satisfying whodunit structure following the traditional rules and style of the Golden Age of the genre *Death in White Pyjamas* At the country home of Sam Richardson a group of actors have gathered along with their somewhat sinister producer Basil Barnes and a playwright whose star is rising in the drama scene With competitive tension in the air between the three actresses Clara Angela and Deirdre the spell is broken when Deirdre is found murdered in the grounds wearing for some unknown reason white pyjamas *Death Knows no Calendar* A shooting in a locked artist s studio Four suspects at least two of whom are engaged in an affair An exuberant and energetic case for Major Boddy *Malifact* Paul Edmonds,2006-08-29 Evil has many faces but for Detective Karen Murphy the evil that she comes face to face with is beyond anything her rational mind could have conjured up The sorcerer who slaughtered the family of the boy king Tutankhamun and murdered Cleopatra is at large in modern San Francisco Karen s only hope is the mysterious Frenchman who seemingly defeated the sorcerer over 60 years before and now returns to make good on the prophetic words of an angry goddess from 35 centuries ago that evil will die at the hands of a child unborn *The Lost Pilgrim* David N. Cousins,2012-07-03 *The Lost Pilgrim* is the story of one man s spiritual quest Chris a pastor filled with increasing despair reaches a breaking point He and his associate Ruth are into their third Sunday service when suddenly he rests his hand on her shoulder Though intended as an innocent gesture Chris erupts with doubts about his faith his vocation and himself Deciding to take a sabbatical he begins a pilgrimage to rediscover his faith and himself On his journey friends and colleagues are drawn to help him Instead they rediscover themselves and their own faith Chris s journey climaxes in a way that none

would expect affecting the unwitting congregation dramatically As the story unfolds readers are led to explore hidden and fascinating dimensions of Christianity as well as their own personal search for meaning **Forever and Ever** Louise S. Appell, 2009 Marie Graham has driven from Northampton and the funeral of her much loved great aunt Clara Pelletier to Montreal to find her dear Uncle Charlie in the Sisters of the Sacred Heart nursing home where he has lived for over twenty five years Their reunion is bittersweet Uncle Charlie nearly ninety three is failing His greatest wish is to know everything that happened to the family that he left behind when he disappeared after serving his prison sentence for the accidental killing of his brother Marie tells him the story of their French Canadian family from the time right after World War II until 1980 All the joy and sorrow are here all the choices made and the consequences described This is a tale of lives lived in a time of change when old ways gave way to new challenges and new possibilities Pete returned home from the war determined to pursue his dream of a successful business Angela learned from her experience working in a bomb factory that she likes the feeling of accomplishment she experienced then and seeks to find that again Clara demonstrates her capacity to love and to survive whatever life deals her Marie and Amy and Petey are examples of how the strength of strong family bonds guide each new generation These are characters to capture your interest and your heart **The Map and the Territory** Shyam Wuppuluri, Francisco Antonio Doria, 2018-02-13 This volume presents essays by pioneering thinkers including Tyler Burge Gregory Chaitin Daniel Dennett Barry Mazur Nicholas Humphrey John Searle and Ian Stewart Together they illuminate the Map Territory Distinction that underlies at the foundation of the scientific method thought and the very reality itself It is imperative to distinguish Map from the Territory while analyzing any subject but we often mistake map for the territory Meaning for the Reference Computational tool for what it computes Representations are handy and tempting that we often end up committing the category error of over marrying the representation with what is represented so much so that the distinction between the former and the latter is lost This error that has its roots in the pedagogy often generates a plethora of paradoxes confusions which hinder the proper understanding of the subject What are wave functions Fields Forces Numbers Sets Classes Operators Functions Alphabets and Sentences Are they a part of our map theory representation Or do they actually belong to the territory Reality Researcher like a cartographer clothes or creates the reality by stitching multitudes of maps that simultaneously co exist A simple apple for example can be analyzed from several viewpoints beginning with evolution and biology all the way down its microscopic quantum mechanical components Is there a reality or a real apple out there apart from these maps How do these various maps interact intermingle with each other to produce a coherent reality that we interact with Or do they not Does our brain uses its own internal maps to facilitate physicist mathematician in us to construct the maps about the external territories in turn If so what is the nature of these internal maps Are there meta maps Evolution definitely fences our perception and thereby our ability to construct maps revealing to us only those aspects beneficial for our survival But the question is to what extent Is there a way out of the

metaphorical Platonic cave erected around us by the nature While Map is not the territory as Alfred Korzybski remarked join us in this journey to know more while we inquire on the nature and the reality of the maps which try to map the reality out there The book also includes a foreword by Sir Roger Penrose and an afterword by Dagfinn Føllesdal
