Akhir-akhir ini aku sering menyelam terlalu dalam,
untuk mendalami dan memahaminya.
hingga pada akhirnya menyelam terlalu dalam itu,
hanya menenggelamkan diri sendiri.

Akhirnya sadar dalam penyesalan.

Live a dream, make new friends, but don't forget who awaits you. In dreams, we fly, and we can play with children from different worlds. The sun, the moon, and even the star that shine so bright will help you find your way back home. The wind, like a wise old owl, will surely try to play. But don't ever hide behind a dark cloud; it carries water for the flowers. A dream fairy will always be your friend for your every wish; she will fulfill it. So when you dream, don't forget to say hello to your new friends. A dream fairy is sweet and kind. If you are lucky and happen to see one, say hello and treat her well. She will guide you through your dream and safely have you home again. Short Story Press Presents Sandy's Mended Heart Short Story Press, Norah Crowley, 2012-08-09 Short Story Press Presents *Sandy's Mended Heart* by Norah Crowley. This story follows Sandy, a 19-year-old woman, as she makes the difficult transition from living in an insular religious community to outside life in a college town. Sandy struggles with living alone when she has always been surrounded by a close family. Meeting different types of people when she has always been in a small community. Making her way with new people who don't think or act like those at home; she has to figure out how they think and what they actually mean by what they say and how they act. Meeting men who live and work in environments—a college campus, a military base—that are the total opposites of the community she has known all her life.

Dealing with her need to find love and hopefully a marriage in a new world without the guidelines of her strict community or the oversight of her family Falling in love with a man who is so totally different from her father brothers cousins and all the men she has known in her life and in fact is a soldier someone whom her pacifist religious community would find totally unacceptable Finding a church home and a place where she can live with her strong religious convictions even though she does not totally accept the limitations of her original church Coping with love and loss putting lessons of forgiveness into practice and picking up the pieces of a broken heart without becoming bitter Short Story Press publishes short stories written by everyday writers **The Lard Is My Shepherd: A Collection of Short Fiction** Robert Calder II,2023-03-13
