Called in to examine what is left of a person thought to have been struck by lightning, Temperance traces an unusual tattoo to its source and is soon embroiled in a much larger case. Young men, tourists, have been disappearing on the islands of Turks and Caicos. Seven years earlier, the first victim was found.

in a strange location with his left hand hacked off subsequently two other visitors vanished without a trace But recently tantalizing leads have emerged and only Tempe can unravel them Maddeningly the victims seem to have nothing in common other than the odd places where their bodies turn up and the fact that none seems likely to have been involved in criminal activity Do these attacks have something to do with the islands seething culture of gang violence Tempe isn't so sure Disturbingly she discovers evidence that what's at stake may actually have global significance It isn't long before the sound of a ticking clock grows menacingly loud Then Tempe herself becomes a target
