The Gender of Things Maria Rentetzi,2023-09-29 The Gender of Things is a highly interdisciplinary book that explores the power relationship between gender and the material culture of technoscience addressing a seemingly straightforward question How does a thing such as a spacesuit a humanoid robot or a surgical instrument become a gendered object These 14 short chapters cover an original selection of things from cosmeceuticals to early motor scooters from Scrum boards to border walls and from robots to the human body and its parts By historically examining how significance has been attached to specific things and how things were designed and produced the chapters reveal how the concept of gender has been embedded and finds expression in the material world of science and technology With insights from science and technology studies STS anthropology the history of ergonomics museum studies the history of science technology and medicine but also the philosophy and sociology of technology and feminist new materialism this collection reminds us that our material creations not only bear knowledge about our world The Gender of Things will be of key interest to undergraduate and graduate students and research scholars of STS as well as gender studies The Introduction and Chapter 4 of this book are freely available as downloadable Open Access PDFs at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Lecture-free Teaching Bonnie S. Wood,2009 *The Chinese Communist Youth League* Konstantinos Tsimonis,2025-10-01 The Chinese Communist Youth League is the largest youth political organization in the world with over 80 million members Former Chinese President Hu Jintao was a firm supporter of the League and believed that it could play a bigger role in winning the hearts and minds of Chinese youth by actively engaging with their interests and demands Accordingly he provided the League with a new youth work mandate to increase its capacity for responsiveness under the slogan keep the Party assured and the youth satisfied This original investigation of the hitherto unexamined

organization uses a combination of interviews surveys and ethnography to explore how the League implemented Hu s mandate at both local and national levels exposing the contradictory nature of some of its campaigns By doing so it also sheds light on the reasons for Xi Jinping s turn against the League during his first term in office The Chinese Communist Youth League Juniority and Responsiveness in a Party Youth Organization develops the original concept of juniority to capture the complex ways that generational power is institutionalized alienating young people from official political processes with significant implications for China s political development The book will be of interest to researchers and students of Chinese politics as well as to scholars of comparative youth politics and sociology

Service-Learning Capacity Enhancement in Hong Kong Higher Education Grace Ngai, Daniel T.L. Shek, 2022-08-17 This book provides an in depth multi faceted look into capacity building for service learning using the case of the higher education landscape in Hong Kong Service learning has been proven to be an effective pedagogy for the holistic development of students as well as promotion of their well being It also attempts to promote the well being of the service recipients and the community While service learning is becoming increasingly popular in many higher educational institutions around the world the learning gains that can be attained from service learning are only as good as the learning experience allows and poorly developed or motivated service learning may potentially do adverse harm to students and the community This book reinforces the imperative to enhance the capacity of the institution teachers students and community partners by exploring a diverse range of methods for achieving capacity building among different stakeholders Examples of the methods explored include formal course based professional development scale development action research and communities of practice Furthermore the book includes a series of detailed qualitative case studies that are aimed at embodying good practice unpacking what matters from service learning As a useful resource for scholars and educators who are passionate about holistic youth leadership development this book is also relevant to researchers in the intersection between well being and higher education
