Lewis, 2016-06-21 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy *Alice in Transmedia Wonderland* Anna Kérchy, 2016-08-16 Part of Alice's appeal is her ambiguity

which makes possible a range of interpretations in adapting Lewis Carroll's classic Wonderland stories to various media Popular reimaginings of Alice and her topsy turvy world reveal many ways of eliciting enchantment and shaping make believe Late 20th century and 21st century adaptations interact with the source texts and with each other providing readers with an elaborate fictional universe This book fully explores today's multi media journey to Wonderland CSS, DHTML, and Ajax, Fourth Edition Jason Cranford Teague, 2006-10-17 The Web doesn't stand still and neither does this guide

Completely updated to cover the new browsers standards and CSS DHTML and Ajax features that define the Web today the one thing that hasn't changed in this edition is its task based visual approach to the topic In these pages readers will find friendly step by step instructions for using CSS DHTML and Ajax to add visually sophisticated interactive elements to their Web sites Using loads of tips and screen shots veteran author Jason Cranford Teague covers a lot of ground from basic and advanced dynamic techniques for example making objects appear and disappear to creating effects for newer browsers migrating from tables to CSS and creating new DHTML scripts with embedded scroll areas fixed menu bars and more Users new to CSS DHTML and Ajax will find this a quick easy introduction to scripting while more experienced programmers will be pleased to find practical working examples throughout the book **Alice's Adventures in Wonderland [eBook - NC**

Lewis Carroll's Alice's Adventures in Wonderland and Through the Looking-Glass Zoe Jaques,Eugene Giddens,2016-05-06 Emerging in several different versions during the author s lifetime Lewis Carroll s Alice novels have a publishing history almost as magical and mysterious as the stories themselves Zoe Jaques and Eugene Giddens offer a detailed and nuanced account of the initial publication of Alice s Adventures in Wonderland and Through the Looking Glass and investigate how their subsequent transformations through print illustration film song music videos and even stamp cases and biscuit tins affected the reception of these childhood favourites The authors consider issues related to the orality of the original tale and its impact on subsequent transmission the differences between the manuscripts and printed editions and the politics of writing and publishing for children in the 1860s In addition they take account of Carroll s own responses to the books popularity including his writing of major adaptations and a significant body of meta textual commentary and his reactions to the staging of Alice in Wonderland Attentive to the child reader how changing notions of childhood identity and needs affected shifting narratives of the story and the representation of the child s body by various illustrators the authors also make a significant contribution to childhood studies

The Alice Books and the Contested Ground of the Natural World Laura White,2017-06-26 Though popular opinion would have us see Alice s Adventures in Wonderland and Through the Looking Glass and What Alice Found There as whimsical nonsensical and thoroughly enjoyable stories told mostly for children contemporary research has shown us there is a vastly greater depth to the stories than would be seen at first glance Building on the now popular idea amongst Alice enthusiasts that the Alice books at heart were intended for adults as well as children Laura White takes current research in a new fascinating direction During the Victorian era of the book s original publication ideas about nature and our relation to nature were changing drastically The Alice Books and the Contested Ground of the Natural World argues that Lewis Carroll used the book s charm wit and often puzzling conclusions to counter the emerging tendencies of the time which favored Darwinism and theories of evolution and challenged the then conventional thinking of the relationship between mankind and nature Though a scientist and ardent student of nature himself Carroll used his famously playful language fantastic worlds and brilliant often impossible characters to support more

the traditional Christian ideology of the time in which mankind holds absolute sovereignty over animals and nature ISO 9000 Quality Systems Handbook-updated for the ISO 9001: 2015 standard David Hoyle,2017-07-06 Completely revised to align with ISO 9001 2015 this handbook has been the bible for users of ISO 9001 since 1994 helping organizations get certified and increase the quality of their outputs Whether you are an experienced professional a novice or a quality management student or researcher this is a crucial addition to your bookshelf The various ways in which requirements are interpreted and applied are discussed using published definitions reasoned arguments and practical examples Packed with insights into how the standard has been used misused and misunderstood ISO 9000 Quality Systems Handbook will help you to decide if ISO 9001 certification is right for your company and will gently guide you through the terminology requirements and implementation of practices to enhance performance Matched to the revised structure of the 2015 standard with clause numbers included for ease of reference the book also includes Graphics and text boxes to illustrate concepts and points of contention Explanations between the differences of the 2008 and 2015 versions of ISO 9001 Examples of misconceptions inconsistencies and other anomalies Solutions provided for manufacturing and service sectors This new edition includes substantially more guidance for students instructors and managers in the service sector as well as those working with small businesses Don't waste time trying to achieve certification without this tried and trusted guide to improving your business let David Hoyle lead you towards a better way of thinking about quality and its management and see the difference it can make to your processes and profits
