

QUESTION 8

Consider the following "alien" periodic table. The chemical symbols of the elements are different than those we use on Earth, but the properties of the elements and the periodic trends are the same:

| Alien Periodic Table |           |           |           |           |           |           |           |           |    |           |
