International Perspectives on Home Education P. Rothermel, 2015-03-23 This collection brings together the research of an eclectic mix of leading names in home based education studies worldwide It uses home education to explore contemporary education outside of school and place it into a global political and critical context and will be essential reading for home educators academics and policymakers alike Monthly Catalog of United States Government Publications ,1965

Journal of Developmental Education ,2013 **Applied Chemistry and Chemical Engineering, Volume 2** A. K. Haghi, Lionello Pogliani, Devrim Balkose, Omari V. Mukbaniani, Andrew G. Mercader, 2017-12-22 This book covers many important aspects of applied chemistry and chemical engineering focusing on three main aspects principles methodology and evaluation methods It presents a selection of chapters on recent developments of theoretical mathematical and computational conceptions as well as chapters on modeling and simulation of specific research themes covering applied chemistry and chemical engineering This book attempts to bridge the gap between classical analysis and modern applications Covering a selection of topics within the field of applied chemistry and chemical engineering the book is divided into several parts polymer chemistry and technology bioorganic and biological chemistry nanoscale technology selected topics This book is the second of the two volume series Applied Chemistry and Chemical Engineering The first volume is Volume 1 Mathematical and Analytical Techniques **Forthcoming Books** Rose Arny, 1999 **On the Rocketship** Richard Whitmire, 2014-05-15 The face of American education is evolving and the roadmap is clear On the Rocketship How Top Charter Schools are Pushing the Envelope examines the rise and expansion of leading charter school network Rocketship revealing the secret sauce that makes a successful program A strong narrative with a timely message the book explores how Rocketship started and the difficulties encountered as it expands Designing schools for children who have been failed by traditional schools is extremely challenging work Setbacks are inevitable Later in the book the narrative shifts to the national picture exploring how high performing charter schools are changing the education landscape in cities such as Denver Memphis and Houston The book emerges just as charter schools are running into stiff political opposition in New York City and elsewhere Even in San Jose Rocketship's home base the pushback against charter schools is gaining speed On the Rocketship becomes a valuable resource for explaining what's at stake in this battle Lose these schools in New York San Jose and other cities and low income and minority students lose their best shot at a quality education Written by a veteran journalist who followed Rocketship through a school year the book explores some of the factors that make Rocketship and other charters successful including the blended learning that was pioneered at charter schools especially Rocketship Many schools around the country are looking to Rocketship as a model for implementing blended learning The interplay between charter schools and blended learning is setting a change in motion and the American education system is ready to evolve On the Rocketship details this phenomenon providing insights for educators across the nation *Building Better Citizens* Holly

Korbey,2019-10-21 Educating for citizenship was the original mission of American schools but for decades that knowledge also known as civics education has been in decline as schools have shifted focus to college and career STEM and raising reading and math scores But over the last few years spurred on by political polarization and a steep decline in public understanding civics education is seeing a nation wide resurgence as school leaders educators and parents recognize the urgency of teaching young people how America works especially young people who have been marginalized from the political system But this isn't your grandmother's civics The new civics has been updated and retooled for the phone addicted multi cultural globalized twenty first century kid From combatting fake news with fact checking in Silicon Valley to reviving elementary school social studies in Nashville to learning civic activism in Oklahoma City journalist Holly Korbey documents the grassroots revival happening across the country Along the way she provides an essential guidebook for educators school leaders and caregivers of all types who want to educate a new generation of engaged citizens at a critical time in American democracy *Press Summary - Illinois Information Service* Illinois Information Service,2004-01-15 *Geotitles* ,1985
