McCallum, Eric Connally, Deborah Hughes-Hallett, 2014-11-25 Algebra Form and Function was designed based on the fundamental goal for a student to foster understanding of algebraic structure that is an understanding of how the arrangements of symbols allows us to predict for example the behavior of a function or the number of solutions to an equation Mastering algebraic structure enables students to read algebraic expressions and equations in real life contexts not just manipulate them and to choose which form or which operation will best suit the context It facilitates being able to translate back and forth between symbolic graphical numerical and verbal representations By balancing practice in manipulation and opportunities to see the big picture Algebra Form and Function offers a way for teachers to help students achieve real mastery of algebra

That's What's Up! Paula Chase, 2012-03-01 Mina Mooney is about to discover that when you're at the top the only place to go is down. It's springtime in Del Rio Bay and everyone's heading to the O.C. to catch the varsity cheer squad compete at the Extreme Nationals. Everyone's pumped, especially Mina Mooney because making the elite squad has finally gained her entrance into the Upper Circle. Mina's psyched for the big show and some unsupervised cuddle time with Brian Best of all her number one enemy Jessica has shocked everyone by calling a truce. But little does she know that Jessica's peace offer is nothing more than a disguise for what she really has in store for Mina. Spring break means all sorts of trouble for Mina's friends too. Lizzie whose focus has never strayed from the books is boy crazy for the first time in her life. Kelly's decision to give ex-hustler Angel another chance just might backfire. And Jacinta is having a hard time breaking things off with Raheem even when he does something utterly unforgivable. Fun, fast-paced and impossible to put down. *That's What's Up* proves that when it comes to popularity you better watch your back.

**Slave Day** Rob Thomas, 2012-06-12 From the creator of *Veronica Mars* comes a timely novel that looks at a high school fundraising tradition of auctioning off students as slaves. At Robert E. Lee High School, the traditional fundraising event is Slave Day, in which the student leaders and faculty are auctioned off as slaves for the winning bidders. Keene Davenport is outraged and plans to stay home to protest this racist practice. But his mom won't let him skip school, and he finds that none of his classmates took his protest seriously. So instead, he decides on an alternative path of civil disobedience: he will buy Shawn Greeley, the school's first black student body president. Told in eight alternating perspectives, *Slave Day* is a powerful novel featuring beauty queens, geeks, class clowns, and football players, and none of them will come out of it the same.
