Literary Reputation breaks new ground in bringing Orwell's work into proper focus while providing much original insight into the phenomenon of literary fame. Rodden's intent is to clarify who Orwell was as a writer during his lifetime and who he became after his death. He explores the dichotomies between the novelist and the essayist, the socialist and the anti-communist, and the contrast between his day-to-day activities as a journalist and his latter-day elevation to political prophet and secular saint. Rodden's approach is both contextual and textual, analyzing available reception materials on Orwell along with audiences and publications decisive for shaping his reputation. He then offers a detailed historical and biographical interpretation of the reception scene, analyzing how and why individuals and audiences cast Orwell in their own images and how these projected images served their own political needs and aspirations. Examined here are the views of Orwell as quixotic moralist, socialist renegade, anarchist, English patriot, neo-conservative forerunner of cultural studies, and even media and commercial star. Rodden concludes with a consideration of the meaning of Orwell.

Notes On A Beermat Nicholas Pashley, 2010-06-01 First published in 2001 to national acclaim, *Notes on a Beermat* is Nicholas Pashley's ode to the amber nectar of the gods, a witty meditation on beer and everything that goes with it, from socializing to the solitary pleasures of a beer and a book to the qualities necessary in a good pub. Most books about beer focus on the beverage itself, how to make it and how to buy it. *Notes on a Beermat*, the only Canadian book of its kind, explains how to drink beer and why it is absolutely necessary. With characteristic wit and charm, Pashley observes, for example, that to ensure a steady and regular supply of beer, it was necessary to cultivate grain. This, in turn, transformed early man from the hunter-gatherer to the agriculturist. Even then, beer was making people smarter. Whether you're out for an after-work drink with colleagues or you're looking for a seat at your favourite watering hole, Pashley is your guide. His stories about searching for the perfect pub, the best time of day to drink beer, and the silliest pub conversation he's ever had will leave you laughing into your pint.
