Shakespeare William Shakespeare, 2019-10-27 All's Well That Ends Well is a play by William Shakespeare published in the First Folio in 1623 where it is listed among the comedies. There is a debate regarding the dating of the composition of the play with possible dates ranging from 1598 to 1608. The play is considered one of Shakespeare's problem plays, a play that poses complex ethical dilemmas that require more than typically simple solutions. Helena, the low-born ward of a French Spanish countess, is in love with the countess's son, Bertram, who is indifferent to her. Bertram goes to Paris to replace his late father as attendant to the ailing King of France. Helena, the daughter of a recently deceased physician, follows Bertram ostensibly to offer the King her services as a healer. The King is sceptical and she guarantees the cure with her life: if he dies, she will be put to death; but if he lives, she may choose a husband from the court. The King is cured and Helena chooses Bertram, who rejects her owing to her poverty and low status. The King forces him to marry her, but after the ceremony, Bertram immediately goes to war in Italy without so much as a goodbye kiss. He says that he will only marry her after she has borne his child and wears his family ring. Helena returns home to the countess, who is horrified at what her son has done and claims Helena as her child in Bertram's place. In Italy, Bertram is a successful warrior and also a successful seducer of local virgins. Helena follows him to Italy, befriends Diana, a virgin with whom Bertram is infatuated, and they arrange for Helena to take Diana's place in bed. Diana obtains Bertram's ring in exchange for one of Helena's. In this way, Helena, without Bertram's knowledge, consummates their marriage and wears his ring. Helena fakes her own death. Bertram, thinking he is free of her, comes home. He tries to marry a local lord's daughter, but Diana shows up and breaks up the engagement. Helena appears and explains the ring swap, announcing that she has fulfilled Bertram's challenge. Bertram, impressed by all she has done to win

him swears his love to her Thus all ends well There is a subplot about Parolles a disloyal associate of Bertram s Some of the lords at the court attempt to get Bertram to know that his friend Parolles is a boasting coward as Lafew and the Countess have also said They convince Parolles to cross into enemy territory to fetch a drum that he left behind While on his way they pose as enemy soldiers kidnap him blindfold him and with Bertram observing get him to betray his friends and besmirch Bertram s character Bertram the son of a widowed countess sets off from Roussillon with his friend Parolles and the Lord Lafew to the French court He is the ward of the French king He is unaware that Helena orphan daughter of the countess physician raised in the household of the countess is in love with him The countess gives her permission to try and cure the king s illness No one has been able to cure him but Helena succeeds and as a reward the king invites her to choose a husband from among his wards She chooses Bertram Bertram s ambitions for a wife go beyond her however and although he marries her on the king s orders he runs away with Parolles to fight in the wars in Italy He writes a letter to Helena telling her that he will not recognise the marriage until she can demonstrate that she is wearing his heirloom ring and carrying his child
