Subcommittee on African Affairs, 2015 *House of Commons - Foreign Affairs Committee: the FCO's Human Rights Work in 2012 - HC 267* Great Britain: Parliament: House of Commons: Foreign Affairs Committee, 2013-10-17 The FCO was timid and inconsistent in the discussions which led to the decision to award to Sri Lanka the right to host the 2013 CHOGM It should have taken a more robust approach since in the light of continuing human rights abuses in the country In 2009 the FCO objected to Sri Lanka hosting the 2011 CHOGM but did not obstruct a proposal that it might do so in 2013 nor did it insist that Sri Lanka's right to host in 2013 should be conditional on improvements in human rights The Committee took evidence from the BBC World Service on jamming and denial of access to its broadcast and internet services particularly in Iran and China The Committee calls on the BBC to recognise in future funding plans the need to provide the resources necessary to afford protection All providers of satellite services have a commercial interest in defeating jamming The report considers Government policy on human rights in Burma and concludes that the EU's decision to lift economic sanctions in April 2013 was the right one given the remarkable progress made in Burma But it warns that the UK should be prepared to advocate re imposition of sanctions if undertakings on human rights are not followed through The Government should also urge condemnation of those responsible for violence in Rakhine State in 2012 The Committee does not support suggestions that the 2014 Winter Olympic and Paralympic Games should be boycotted in protest against human rights abuses in Russia **Parliamentary Debates (Hansard).** Great Britain. Parliament. House of Commons, 2013 The State of Social Progress of Islamic Societies Habib Tiliouine, Richard J. Estes, 2016-04-08 This handbook addresses the historical background of the Islamic world and reviews its basic past intellectual achievements It studies social progress of these regions and sub regions in comparison with other parts of the world It uses large data sets and well established statistically

weighted Indexes in order to assess the nature and pace of the multiple facets of social change in member states of the Organization of Islamic Cooperation OIC The handbook extensively discusses the main challenges confronting the Islamic nations in the social economic political and ideological fields Though it is recognizable that social change in the Islamic World is generally positive it remains highly variable in pace and there is room to speed it up to the benefit of millions of deprived Muslim people Hence the book studies the different propositions and programs of action such as the United Nations Millennium Development Campaign and the OIC s Ten Year Programme of Action to present an integrated and comprehensive agenda of action to help improve the situation in the Islamic World *The Continuing Threat of Boko Haram*
