Managing and Developing Sports Officials Tom Webb, David J. Hancock, Pamm Phillips, Jacob K. Tingle, 2024-08-01

This book offers an evidence based guide to the development management and retention of sports officials Drawing on research at all levels of sport from grassroots to professional this book focuses on best practices for sports officials and for anybody involved in the management or training of sports officials This book is divided into three parts The first takes a close look at who sports officials are their motivations and the formal and informal organizational relationships that define an official s position in sport The second examines the factors that can keep an official engaged in their sport from building healthy cultures and good physical preparation to mentoring and mental health The final part looks at the development of officials to elite level including effective communication improving decision making interpreting rules and laws and career pathways With case studies real life examples and the voices of practicing officials included throughout this book it introduces core concepts and best practices applicable across sports and different national and international contexts This is an essential reference for all sports officials and for practitioners and policymakers working in sports organizations at all levels

The 50 Greatest Dodgers Games of All Time J.P. Hoornstra, 2015-05-28 The Dodgers have played more than 10 000 games as a franchise Their 50 greatest games span two coasts and three centuries worth of baseball They include A doubleheader that lasted six and a half innings combined A single game that featured three teams on the field A game in which the Dodgers didn t record a hit and won The games in which the single season and career home run records were broken Three perfect games and two no hitters The longest game in major league history The first major league game ever televised A game in which the Dodgers pitcher lost consciousness on the field An exhibition game that drew 93 103 spectators The first integrated game in major league history The 50 Greatest Dodgers Games features all the best players to don the uniform Sandy Koufax Jackie Robinson Kirk Gibson Zack Wheat Fernando Valenzuela Orel Hershiser Duke Snider Roy Campanella Clayton Kershaw Steve Garvey Don Drysdale Pee Wee Reese and more It also features some of the unsung heroes of baseball history like Cookie Lavagetto Vic Davalillo Sandy Amoros Al Gionfriddo and Joe McGinnity For the first time their performances are laid side by side in this account of the greatest Dodgers games ever played Which game ranks number one

Governance in Sport Bonnie Tiell, 2025-06-17 At its core sport governance encompasses two key elements power and decision making To truly grasp a sport organization s purpose and structure it s essential to understand who wields power and which decisions are made by those who possess it Regrettably the abuse of power coupled with ineffective governance and lackluster leadership has fostered widespread corruption within sport organizations a situation that calls for a renewed commitment to practicing principles of good governance and restoring integrity and ethical conduct In response the updated and enhanced *Governance in Sport Analysis and Application Second Edition* aims to equip students with the skills to navigate both ordinary and extraordinary situations encountered in the oversight and authority of sport

organizations at all levels of sport Governance in Sport examines sport governance from three broad analytical and applied perspectives A legal and managerial overview of practices processes and policies in sport organizations encompassing ethical behavior effective leadership decision making and policy development A framework of the structures and functions of regulatory agencies that govern state national regional and international sports An applied overview of governance and authority in selected sectors of the industry including professional sports amateur sports sports media sports betting esports and more Through examinations of contemporary hot button issues and compelling new case studies covering the Ukraine invasion Brittney Griner transgender athletes in sports LIV Golf versus the PGA conference realignment name image and likeness NIL issues the Kanjuruhan Stadium catastrophe and the workplace misconduct in the Washington Commanders organization students will see how governance differs in sport organizations at various levels in the United States and around the world Additional new features include the following Headlines begin each chapter calling out incidents of corruption within the sport industry Rules and Regulations Corners provide quick overviews of policies and laws affecting weighty issues Combating Corruption sections offer best practices for preventing and minimizing behavior deemed illegal unethical or counterintuitive Governance in Action case sidebars explore real world examples of conflicts and conundrums related to the chapter topic and include discussion questions suggested responses to the questions can be found in the instructor guide Recorded lectures by author Bonnie Tiell are available for each chapter of the book Instructors can use these videos to enhance their lectures With Governance in Sport students will develop an understanding of where power resides how decisions are made and the impact of those factors on the goals and structures of sport organizations
