Religion-Regime Relations in Zimbabwe Ezra Chitando, Lovemore Togarasei, Joram Tarusarira, 2023-08-01 This book explores religion regime relations in contemporary Zimbabwe to identify patterns of co operation and resistance across diverse religious institutions Using co operation and resistance as an analytical framework the book shows how different religious organisations have interacted with Emmerson Mnangagwa's Second Republic following Robert Mugabe's departure from the political scene In particular through case studies on the Zimbabwe Council of Churches Zimbabwe Catholic Bishops Conference and Pentecostals African Traditional Religions Islam and others the book explores how different religious institutions have responded to Mnangagwa's new regime Chapters highlight the complexities characterising the religion regime interface

showing how the same religious organisation might co operate and resist at the same time Furthermore the book compares how religious institutions co operated or resisted Mugabe s earlier regime to identify patterns of continuity and change Overall the book highlights the challenges of deploying simplistic frames in efforts to understand the interface between politics and religion A significant contribution to global scholarship on religion regime interfaces this book will appeal to academics and students in the field of Religious Studies Political Science History and African Studies *Handbook of Christian Prophetism in Africa* ,2025-08-14 More than half a century has passed since the first monographs on African Christian prophetism were published The prophetic element was only the most dramatic and prominent part of developments that sought to bring the biblical material alive in ways that had not been experienced in the ecclesiology of Western mission Christianity The ministries of African charismatic figures of the early 20th century were oriented towards the biblical phenomenon of the prophetic and the related issue of divine or faith healing sometimes even to the neglect of the use of bio medical resources The developments have been interrogated in religious studies theology and the sociology and psychology of religion showing how important these churches have been in the African public sphere **African Churches Ministering 'to and with' Persons with Disabilities** Nomatter Sande,2022-08-30 This book engages with Christian church traditions and disability issues in Africa focusing on Zimbabwe in particular It critically reflects on how the church has not done much to intentionally minister to and with persons with disabilities In the context of this volume ministering to is concerned with creating worshipping space for persons with disabilities while ministering with is connecting and identifying with persons with disabilities to meet their needs from the material life of the church The author considers a stewardship model of disability as an appropriate ministerial response to transform lives in poverty stricken postcolonial contexts The argument put forth is that the church is a living organism endowed with spiritual and material resources and that these resources should be appropriated to marginalised stakeholders **Understanding Prophetic Ministry** Pastor Tewodros Assefa Damtew,2023-09-20 With the advent of social media and its inherent ability to make people s words go viral abundant opportunities exist for false prophecies to flourish in the church People are drawn to these prophets to ease anxiety fulfill wants or know the future But when these men and women aren t speaking God s words they can lead people astray and turn their eyes from our Savior and Lord Jesus Christ In Understanding Prophetic Ministry author Tewodros Assefa Damtew addresses this danger by highlighting the benchmarks and characteristics of the true prophets of God and providing practical instructions on how to deal in love with the false prophets that will arise these days Pastor Damtew bases his words on biblical truth and rigorous theological study and his teaching provides transformative insights and guidance to all those interested in learning more about prophecy and other ministerial gifts in the church With topics ranging from the restoration of the prophetic ministry to the infiltration of false prophets this is a must read for Bible students visionaries church leaders and the laity Relevant timely and straightforward Understanding Prophetic Ministry will be a valuable resource in Bible

colleges and seminaries church and personal libraries and small group studies **Multiplying in the Spirit** Ezra Chitando, Masiwa Ragies Gunda, Joachim Kügler, 2014-10-30 *Regime, Religion and the Consolidation of Zanu-PFism in Zimbabwe* Bekithemba Dube, 2023-12-14 This collection focuses on the role of religious leaders and religious institutions in supporting or resisting the democratization process in Zimbabwe. It scrutinizes the actions of religious leaders such as Andrew Wutawunashe and Jeremiah Mutendi who were prominent in the political scene and participated as enablers of the undemocratic regime. The contributors to this volume employ a variety of methodological approaches to understand the operational dilemma of the second republic under Emmerson Dambudzo Mnangagwa commonly referred to as Zanu-PFism. It is an empirical study to determine the impact of religious leaders as regime enablers and assess the effects of such an approach in terms of social development, democracy and social transformation as espoused in the rise of the second republic. In order to balance the narrative, the book highlights and offers critique of religious leaders and institutes who are the resisters of the regime. It specifically explores the Zimbabwe Catholic Bishops' Conference, Evangelical Fellowship of Zimbabwe, Zimbabwe Council of Churches, Talent Chiwenga and Shingi Munyeza. This is a critical study of decoloniality in a religious context that documents characters such as Shingi Munyeza, Bishop Mutendi Mapostori who seldomly appear in scholarship despite their great impact, either positive or negative, on the lives of the people of Zimbabwe.
