

LIFE SCIENCES

REVISION BOOKLET 2023 TERMS 3 and 4

Grade 10

This revision program is designed to assist you in revising the critical content and skills that you have covered during the 3rd and 4th terms. The purpose is to prepare you to understand the key concepts and to provide you with an opportunity to establish the required standard and the application of the knowledge necessary to succeed in the examination.

The revision program covers the following topics:

- Biosphere to ecosystems
- Biodiversity and classification
- History of life on earth

2014 Life Science June Guide

John A. Quelch,Carin-Isabel Knoop

2014 Life Science June Guide:

Sexuality, Oppression and Human Rights Júlia Tomás, Nico Epple, 2019-01-04 This volume was first published by Inter Disciplinary Press in 2015 The gradual demystification of sexuality leads to its slow departure from long date traditional honour codes This evolution in thought and in attitude allows one to observe new and not so new mentalities and behaviours Sexuality is indeed a social construct that can encompass physical and or symbolic domination and viciousness It concerns women and children as well as men It involves every culture every country and every population This anthology presents interdisciplinary studies with a human rights based approach from researchers and social workers around the world The essays discuss sexual violence and its social ramifications and violence against various sexualities It aims at elucidating not only contemporary historical and social facts related to sexual exploitation and sexual violence but also discourses that perpetuate sexual oppression Moreover it offers the reader insights into prevention methods and last but not least it presents individual and collective creative tools to combat sexual domination
