The Shi'i Islamic Martyrdom Narratives of Imam al-Husayn Muhammad-Reza Fakhr-Rohani, 2023-06-14 Martyrdom narratives maqtals represent a prominent genre of Islamic particularly Shi'i literature In this genre the heart rending aspects of the martyrdom scenes of religiously prominent people are depicted graphically Although not exclusively limited to the martyrdom accounts of Imam al-usayn and his companions who were martyred on the plain of Karbala Iraq a great majority of Islamic martyrdom narratives deal with the Ashura episodes As the first book length treatment of this genre in English this text takes the reader from the dawn of Islam in ancient Arabia exploring the background of the Battle of Karbala and giving a view of the various maqtals and several related studies Although examining Arabic and Persian sources this book presupposes little background knowledge on the part of the reader

The Woodstock Story eBook: with Hundreds of Color Photos and Active links to Celebrities their lives, stories and music Linanne G Sackett, 2019-08-31 The Woodstock Story eBook brings the hard cover version to life with the spirit of Woodstock today and with first hand observations by Barry Z Levine Photographer on the Academy Award Winning Documentary Film Woodstock by Warner Brothers 1970 It includes many more pages hundreds of color photos and hundreds of active links to the celebrities their lives stories and music For three world famous days in August 1969 500 000 people

spontaneously gathered for a happening like nothing before or since Peace and love aromatic smoke and the sounds of the greatest rock n roll show wafted through the air to become the legendary event that s never been duplicated Fifty years later Woodstock is still celebrated world wide for the spirit it represents As part of the Academy Award winning Woodstock documentary team still photographer Barry Z Levine captured it all Arriving days before the crowd when the site was still a grassy cow pasture and continuing to photograph long after the last of them had departed when it had become a debris strewn mud hole Levine took so many pictures that he had blisters on his index finger and thumb from clicking the shutter and advancing the film Over the course of that tumultuous week the only time he stopped was for a 45 minute nap on the piano cover on stage during the Blood Sweat Tears performance
