American More! Level 1 Teacher's Book Cheryl

Pelteret, Günter Gerngross, Christian Holzmann, Peter Lewis-Jones, 2010-10-14 American MORE is a four level course from a highly respected author team that's bursting with features for lower secondary students. Each level of American MORE contains 80-90 hours of class material. With dedicated reading, culture, grammar, vocabulary, skills and cross-curricular learning sections, plus a wide range of flexible components, you really do get more with American MORE. The Teacher's Book contains warm-up activities, detailed guidance on how to get the best out of the course, answer keys and Extra idea sections for fast finishers. American English File 3E Starter Student Book Christina Latham-Koenig, Clive Oxenden, Jerry Lambert, 2019-08-15 American English File Second Edition retains the popular methodology developed by world renowned authors Christina Latham-Koenig and Clive Oxenden: language motivation, opportunity. With grammar, vocabulary and pronunciation practice in every lesson, students are equipped with a solid foundation for successful speaking. Plus an array of digital resources provides even more choice and flexibility. Students can learn in the classroom or on the move with Online Practice language assessment. The first goal is to explore the difference between fairness and justice in language assessment. The authors distinguish internal and external dimensions of the equitable and just treatment of individuals taking language tests which are used as gatekeeping devices to determine access to education and employment, immigrant status, citizenship and other rights. The second goal is to show how the extent of test fairness can be demonstrated and improved using the tools of psychometrics, in particular the models collectively known as Rasch measurement. This book will have an enormous impact on the field of language assessment. Using Rasch analysis models to explore and identify sources of unfairness, the authors make a compelling case for fairness in the design and implementation of language assessment instruments and for justice in the interpretation and use of test results. A real strength of the book is that it guides readers through analytical techniques in an accessible way.
