Questions 26 – 31 are based on the following passage.

Jake thought that Kyle was a “nerd”, a boring, overly-studious person. He seemed too different from himself to ever be his friend...

- 1 One day, I saw a boy from my class walking home from school. He was rather
new to our school and I hardly knew him. He was one of those students who topped
all the tests. His name was Kyle. It looked like he was carrying all of his books. I
thought to myself, Why would anyone bring home all his books on a Friday? He
must really be a nerd.” I shrugged my shoulders and went on. 5
- 2 As I was walking, I saw a bunch of kids running towards him. They ran at
him, knocking all his books out of his arms and tripping him, so he landed in the dirt.
His glasses went flying and I saw them land in the grass about ten feet from him. He
looked up and I saw a terrible sadness in his eyes. My heart went out to him. So, I
jogged over to him as he crawled around looking for his glasses. As I handed him his 10
glasses, I said, “Those guys are jerks. They really should learn some manners.”
- 3 He looked at me and said, “Hey, thanks!” There was a big smile on his face.
It was one of those smiles that showed real gratitude. I helped him pick up his books
and asked him where he lived. As it turned out, he lived near me, so we decided to
walk home together. 15
- 4 We talked all the way home. I asked him if he wanted to play football on
Saturday with me and my friends. He said, “Yes.” Kyle hung out with my friends
and me all weekend and the more I got to know him, the more I liked him and so did
my friends.
- 5 Monday morning came and there was Kyle with the huge stack of books again. 20
I stopped him and said, “Boy, you are really going to build some big muscles with
this pile of books every day!” He just laughed.
- 6 Over the next four years, Kyle and I became best friends. When we were
seniors, we began to think about college. Kyle decided on Georgetown University
and I was going to Duke. We always make an effort to contact one another during
semester breaks and make plans to meet up. I knew that we would always be friends, 25
that *the miles apart would never be a problem.*
- 7 On the morning of Graduation Day, I met Kyle at the school entrance. He
looked great. He was one of those guys that really found himself during high school.
He had filled out and actually looked good in glasses. He had become one of the 30
most popular students. Sometimes, I even felt jealous and this was one of the times.
But, he was looking really nervous. As the top student, he had to deliver the
graduation speech. I was so glad it wasn't me having to get up there and speak. So, I
slapped him on the back and said, “Hey, Big Guy, you'll be great!” He looked at me
with one of those looks (the really grateful one) and smiled.
