Medical Coding

Correct answer: The process of translating a healthcare provider's documentation of a patient encounter into a series of numeric or alphanumeric codes.

Code assignment

Correct answer: Is determined both by the provider's documentation and by the unique rules that govern each code set.

Coding rules

Correct answer: May vary depending on who is paying for the patient's care.

If a provider's documentation is _____ or _____, it will not translate properly to the language of codes: therefore, proper reimbursement for services will not be obtained.
