findings this year's conference is set to delve into more practical applications and innovative methodologies. With a clearer emphasis on global trends and digitalization in education, EDSS 2025 aims to explore how emerging technologies and pedagogical innovations can address existing educational inequities and enhance learning experiences across diverse contexts. The primary objective of EDSS 2025 is to provide a collaborative platform where experts from various fields can share advanced research, discuss best practices, and develop strategies to tackle real-world educational and social issues. By fostering cross-disciplinary interactions, the conference aspires to generate actionable insights and effective solutions that can be implemented at both community and policy levels. Furthermore, the conference aims to highlight success stories and scalable models from different parts of the world, promoting the transfer of knowledge and fostering international cooperation.

Reframing Education Heba Chami, 2024-01-31. Reframing Education provides teachers, school leaders, and parents with concise yet reliable ideas at the core of effective teaching. As time marches on, mindsets evolve, and education must keep pace. The students of today need fresh perspectives to navigate a world we cannot yet envision. We must push with them the wheel of progress, not to replicate the past but to allow the next generation to chart their own course with grit, compassion, and an eye toward posterity. This book will equip teachers to evaluate their skills and experiences in order to best prepare students for uncertain futures, prioritizing resilience over perfectionism. It speaks to the heart of transformative education, exploring new frameworks to empower students while enhancing their well-being, a vital prerequisite for achievement. The insights within will appeal to school leaders and teacher training providers seeking to align learning with the evolving needs of modern students. By reframing education, we can equip young people to pilot humanity a few feet farther.
