Promoting Law Student and Lawyer Well-Being in Australia and Beyond Rachel Field, James Duffy, Colin

James, 2016-04-14 University can be a psychologically distressing place for students Empirical studies in Australia and the USA highlight that a large number of law students suffer from psychological distress when compared to students from other disciplines and members of the general population This book explores the significant role that legal education can play in the promotion of mental health and well being in law students and consequently in the profession The volume considers the ways in which the problems of psychological distress amongst law students are connected to the way law and legal culture are taught and articulates curricula and extra curricula strategies for promoting wellbeing for law students With contributions from legal academics legal practitioners and psychologists the authors discuss the possible causes of psychological distress in the legal community and potential interventions that may increase psychological well being This important book will be of interest to legal academics law students members of the legal profession post graduate researchers as well as non law researchers interested in this area

The Airline Revolution Gordon Mills, 2016-07-15 When starting new airlines in response to government deregulation entrepreneurs in the U S and Europe reduced some traditional service qualities to reduce costs concentrated on non stop services between city pairs not already so connected improved on time performance and offered low fares to win leisure travelers from the incumbents and to encourage more travel In recent developments some of the new airlines have offered optional extras at higher fares to attract business travelers and entered major routes alongside the legacy carriers Within both the U S and Europe deregulation removed most geographical barriers to expansion by short haul airlines Later limited deregulation spread to other world regions where many short haul routes connect city pairs in different countries and where governments have retained traditional two country mechanisms restricting who may fly To gain access to domestic routes in other countries some new airlines are setting up affiliate companies in neighboring countries with each company legally controlled in the country of domicile With air travel growing strongly especially in Asia a common result is intense but potentially short lived competition on major routes The recent developments give clear signposts to likely mid term outcomes and make this an opportune time to report on the new airline scene The Airline Revolution will provide valuable economic analysis of this climate to students airline professionals advancing to senior positions public servants and others who provide advice to governments

Procession David Acton, Norman Lewis, 2015-11-13 This beautifully illustrated catalogue accompanies the first major museum retrospective of the painter Norman Lewis 1909 1979 Lewis was the sole African American artist of his generation who became committed to issues of abstraction at the start of his career and continued to explore them over its entire trajectory His art derived inspiration from music jazz and classical and nature seasonal change plant forms the sea Also central to his work were the dramatic confrontations of the civil rights movement in which he was an active participant among the New York art scene Bridging the

Harlem Renaissance Abstract Expressionism and beyond Lewis is a crucial figure in American abstraction whose reinsertion into the discourse further opens the field for recognition of the contributions of artists of color Bringing much needed attention to Lewis's output and significance in the history of American art Procession is a milestone in Lewis scholarship and a vital resource for future study of the artist and abstraction in his period Published in association with Pennsylvania Academy of the Fine Arts Philadelphia Exhibition dates Pennsylvania Academy of the Fine Arts Philadelphia November 13 2015 April 3 2016 Amon Carter Museum of American Art Fort Worth June 4 August 21 2016 Chicago Cultural Center September 17 2016 January 8 2017

The Nurses Alexandra Robbins, 2015-04-14 A New York Times bestseller A funny intimate and often jaw dropping account of life behind the scenes *People Nurses* is the compelling story of the year in the life of four nurses and the drama unsung heroism and unique sisterhood of nursing one of the world's most important professions nurses save lives every day and one of the world's most dangerous filled with violence trauma and PTSD In following four nurses Alexandra Robbins creates sympathetic characters while diving deep into their world of controlled chaos It's a world of hazing nurses eat their young Sex not exactly like on TV

but surprising just the same Drug abuse disproportionately a problem among the best and the brightest and a constant temptation And bullying by peers by patients by hospital bureaucrats and especially by doctors an epidemic described as lurking in the shadowy dark corners of our profession The result is a page turning shocking look at our health care system

Refugee Rights and Policy Wrongs Jane McAdam, Fiona Chong, 2019-07-01 Everyone has the right to seek asylum under international law However successive governments in Australia have declared the need to stop the boats whatever the cost be it human economic moral or legal In this new book Jane McAdam and Fiona Chong find that Australia's policies towards refugees have hardened since their bestselling *Refugees* Why seeking asylum is legal and Australia's policies are not was published in 2014 Now *Refugee Rights and Policy Wrongs* provides a wholly updated account of Australian refugee law and policy Bringing facts to bear on a highly politicised debate McAdam and Chong explain why Australia falls short of its own international commitments when it comes to policies on offshore processing detention and boat turnbacks among others This up to date account of Australia's refugee laws and policies could not come at a more crucial time and is compelling reading for anyone seeking to understand the human impacts of Australia's practices This book should be read by all Australians concerned about the inhumanity demonstrated by successive federal governments when dealing with refugees seeking our protection Ian McPhee AO

War in 140 Characters David Patrikarakos, 2017-11-14 A leading foreign correspondent looks at how social media has transformed the modern battlefield and how wars are fought Modern warfare is a war of narratives where bullets are fired both physically and virtually Whether you are a president or a terrorist if you don't understand how to deploy the power of social media effectively you may win the odd battle but you will lose a twenty first century war Here journalist David Patrikarakos draws on unprecedented access to key players to provide a new narrative for modern warfare He travels thousands of miles across continents to meet a de-radicalized female member of ISIS recruited via Skype a liberal Russian in Siberia who takes a job manufacturing Ukrainian news and many others to explore the way social media has transformed the way we fight win and consume wars and what this means for the world going forward
