1. Sideburns Stories from Wardside School by Louis Sachar

Leslie sat in front of Paul. She had two long, brown pigtails that reached all the way down to her waist. Paul saw those pigtails, and a terrible urge came over him. He wanted to pull a pigtail. He wanted to wrap his fist around it, feel the hair between his fingers, and just yank. He thought it would be fun to tie the pigtails together, or better yet, tie them to her chair. But most of all, he just wanted to pull one.

2. Irritation in the Game by Monica Hughes

And we scrounged. Next to survival, scrounge was probably the most important word in our new vocabulary. We found a store that was throwing out water-damaged mattresses. Getting them home was a problem, since we had to make two trips, leaving Brad and Katie, armed with sticks to guard over the remainder. I only expected them to be challenged by some gang boss, but they said that the only person who came by was a scowry little rat of a girl living alone. We let her have one of the mattresses.

Bible in Context Paige-Patric Samuels, 2024-01-03 Bible in Context is the term used for students of the Bible who desire to learn about what the Bible is says and teach why bible in context Because we are confronted on many occasion when we read the bible has become an occupational hazard as oppose to a joyful fulfilment With that being said Bible in Context is a term that was used as an undergraduate model for student who desire to embark on a course of student in how to interpret the Scriptures Looking at

the Bible in context as different types of meaning for different people within the space of our social location. If you are taking to a Reformed Christian believer it would be the task of taking a course of Hebrew and Greek and Latin and translating from the its original meaning then through the usage of language lexicons and concordance and with the different translations versions can arrive at some sense of what the original audience meant as well as reading the entire chapter sometime two or three chapters can then arrive at the sense of the context of what is said. In an other vain asking a Pentecostal we may arrive at a different take as what is context. It would be a chapter a verse or a paragraph. What is pneumatically engaged dependance on the Holy Spirt for its true sense of meaning. Conversely Bible in Context is a hermeneutical disciple which calls the student of the Bible to become an efficient student by employing a number of tools for appropriate investigative approach to the Scripture.
