Eckardt, A. Roy Eckardt, Irving Greenberg, Franklin H. Littell, 2016-11-08 *Long Night's Journey Into Day* is a stimulating and provocative attempt to deal with the impact and meaning of the Holocaust within contemporary Christian and Jewish thought. To Jews the Holocaust is the most terrible happening in their history but it must also be seen as a Christian event. The Eckardts call for a radical rethinking of the Christian faith in the light of the Holocaust, examining such issues as the relation between human and demonic culpability, the charge of God's guilt, and the reality of forgiveness. They clarify the theological meaning of the Holocaust and the responsibility that must be borne for it by the Christian Church and discuss possible responses to it as exemplified in the writings of selected modern theologians and church councils. This enlarged and revised edition takes into account new topics and developments including the issue of Austrian responsibility for the Holocaust, the significance and aftermath of Bitburg, and antisemitism in German feminism. More detailed attention is also given to other modern genocides and occasions of humanly caused mass death. Additional literary, historical, and religious works are considered and appropriate quotations incorporated. The new edition also includes a revised preface, an updated bibliography, and two new appendices.

Abraham Lincoln John George Nicolay, John Hay, 1890 **Abraham Lincoln** John M. Hay, John G. Nicolay, 2009-01-01

Considered one of the best treatments of the presidency of Abraham Lincoln of its time, this portrait of the man and his administration of the United States at the moment of its greatest upheaval is both intimate and scholarly. Written by two private secretaries to the president and first published in 1890, this astonishingly in-depth work is still praised today for its clear, easy-to-read style and vitality. This new replica edition features all the original illustrations.

Volume Three covers South Carolina's secession, Fort Sumter, Anderson's truce, the military situation at Charleston, the cotton republics, Lincoln's secret night journey, the inauguration, Lincoln's cabinet, and much more.

American journalist and statesman JOHN MILTON HAY 1838-1905 was only 22 when he became a private secretary to Lincoln. A former member of the Providence literary circle when he attended Brown University in the late 1850s, he may have been the real author of Lincoln's famous Letter to Mrs. Bixby. After Lincoln's death, Hay later served as editor of the *New York Tribune* and as U.S. ambassador to the United Kingdom under President William McKinley.

American author JOHN GEORGE NICOLAY 1832-1901 was born in Germany and emigrated to the U.S. as a child. Before serving as Lincoln's private secretary, he worked as a newspaper editor and later as assistant to the secretary of state of Illinois. He also wrote *Campaigns of the Civil War*, 1881.

A Long Night's Journey Into Day Herbert A. Goertz, 2023-03-10

A Long Night's Journey into Day is the story of a young boy growing up in Nazi Germany. At first, he is seduced by the propaganda and glitter of the Thousand Year Reich, as Adolf Hitler liked to refer to his rule. But the guidance of his parents and a slowly growing awareness of the bigotry and brutality of the regime saved him from being wholly taken in by the ever-present indoctrination into the ideology of Nazism. The book ends with a defense of democracy as a bulwark against unchecked evil in government and with a passionate repudiation of all forms of prejudice and racism.
