

Ancient Chronicles I
Searching For

ALEXANDER

Betty
Younis

A wide-angle photograph of the ruins of the ancient city of Babylon, showing the massive brick walls and the remains of the city's infrastructure. The scene is set against a clear blue sky, and the foreground shows a dirt path leading through the ruins.

Ancient Chronicles I Searching For Alexander

Shasha Hu

Ancient Chronicles I Searching For Alexander:

Ancient Chronicles I Betty Younis,2014-10-27 Alexander the Great Everyone knows about the ancient Macedonian prodigy and his conquest of the known world of his time but how do they know In this penetrating essay Betty Younis delves into the actual ancient sources who wrote about Alexander and traces their perilous descent down to us today investigating the slender thread connecting the history of the past to the comfortable assumptions of the present and posing the truly critical question how much has been lost in transmission *In Search Of The Lost Testament of Alexander the Great* David Grant,2017-01-28 A unique backstory of Alexander and his successors the biased historians deceits wars generals and the tale of the literature that preserved them Babylon mid June 323 BCE the gateway of the gods prostrated in the Summer Palace of Nebuchadrezzar II on the east bank of the Euphrates wracked by fever and having barely survived another night King Alexander III the rule of Macedonia for 12 years and 7 months had his senior officers congregate at his bedside Abandoned by Fortune and the healing god Asclepius he finally acknowledged he was dying Some 2 340 years on five barely intact accounts survive to tell a hardly coherent story At times in close accord though more often contradictory they conclude with a melee of death scene rehashes all of them suspicious the first portrayed Alexander dying silent and intestate he was Homeric and vocal in the second the third detailed his Last Will and Testament though it is attached to the stuff of romance Which account do we trust In Search Of The Lost Testament Of Alexander The Great is the result of a decade of contemplations on Alexander presented as a rich thematic narrative Grant describes as the backstory behind the history of the great Macedonian and his generals Taking an uncompromising investigative perspective Grant delves into the challenges faced by Alexander s unique tale the forgeries and biased historians the influences of rhetoric romance philosophy and religion on what was written and how Alexander s own mercurial personality is vividly dissected and the careers and the wars of his successors are presented with a unique eye But the book never loses sight of central aim to unravel the mystery behind Alexander s unconvincingly reported intestate death And out of Grant s research emerges one unavoidable verdict after 2 340 years the Last Will and Testament of Alexander III of Macedonia needs to be extracted from romance and reinstated to its rightful place in mainstream history Babylon in June 323 BCE Although the result a decade of academic research In Search Of The Lost Testament Of Alexander The Great is written in an entertaining and engaging style that opens the subject to both scholars and the casual reader of history looking to learn more about the Macedonian king and the men who made his story It concludes with a wholly new interpretation of the death of Alexander the Great and the mechanism behind the wars of succession that followed [Searches Into the History of the Gillman Or Gilman Family](#) Alexander William Gillman,1895 **The Alexander Romance in Persia and the East** Richard Stoneman,Kyle Erickson,Ian Richard Netton,2012 Alexander the Great of Macedon was no stranger to controversy in his own time Conqueror of the Greek states of Egypt and of the Persian Empire as well as many of the principalities of the Indus Valley he nevertheless

became revered as well as vilified Was he simply a destroyer of the ancient civilizations and religions of these regions or was he a hero of the Persian dynasties and of Islam The conflicting views that were taken of him in the Middle East in his own time and the centuries that followed are still reflected in the tensions that exist between east and west today The story of Alexander became the subject of legend in the medieval west but was perhaps even more pervasive in the east The Alexander Romance was translated into Syriac in the sixth century and may have become current in Persia as early as the third century AD From these beginnings it reached into the Persian national epic the Shahnameh into Jewish traditions and into the Quran and subsequent Arab romance The papers in this volume all have the aim of deepening our understanding of this complex development If we can understand better why Alexander is such an important figure in both east and west we shall be a little closer to understanding what unites two often antipathetic worlds This volume collects the papers delivered at the conference of the same title held at the University of Exeter from July 26-29 2010 More than half the papers were by invited speakers and were designed to provide a systematic view of the subject the remainder were selected for their ability to carry research forward in an integrated way

Alexander's Heirs Edward M. Anson, 2014-07-14 Alexander's Heirs offers a narrative account of the approximately forty years following the death of Alexander the Great during which his generals vied for control of his vast empire and through their conflicts and politics ultimately created the Hellenistic Age Offers an account of the power struggles between Alexander's rival generals in the forty year period following his death Discusses how Alexander's vast empire ultimately became the Hellenistic World Makes full use of primary and secondary sources Accessible to a broad audience of students university scholars and the educated general reader Explores important scholarly debates on the Diadochi

Overheard in Seville 2000, 2000-10-15 An annual publication Overheard in Seville Bulletin of the George Santayana Society includes scholarly articles on George Santayana as well as announcements of publications and meetings pertaining to Santayana Scholarship

The History of Ancient Palestine from the Palaeolithic Period to Alexander's Conquest Gösta Werner Ahlström, Gary Orin Rollefson, Diana Vikander Edelman, 1993

Robert the Bruce Michael Penman, 2014-08-05 Robert the Bruce 1274-1329 was the famous unifier of Scotland and defeater of the English at Bannockburn the legendary hero responsible for Scottish independence Michael Penman retells the story of Robert's rise his part in William Wallace's revolt against Edward I his seizing of the Scottish throne after murdering his great rival John Comyn his excommunication and devastating battles against an enemy Scottish coalition climaxing in his victory over Edward I's forces in June 1314 He then draws attention to the second part of the king's life after the victory that made his name
