James A. Towe, 2014-08-15 In the aftermath of the euphoria brought on by our military victory in the Persian Gulf War is the realization that we still have much to learn The Persian Gulf War appears to have validated the quality of U S doctrine leadership and military prowess It showcased the technical superiority of our equipment and confirmed under fire the courage and competence of our soldiers sailors airmen and marines Yet even in an overwhelming victory there are painfully hard lessons to be learned or in the case of fratricide relearned Perhaps no other aspect of our failures strike the military psyche harder than fratricide This study will suggest that we do not have to accept the fratricide statistics of the past however factual as inevitable of future U S conflicts It will propose that the facts of fratricide should be gathered not as a casualty prediction planning tool but as a focus to design training and operational procedures which in conjunction with advanced technology will work towards the significant reduction if not the elimination of fratricide from attack helicopter fires

My War Colby Buzzell, 2014-11-28 Once we passed the checkpoint at the border it hit me I was like Holy Shit this is it I m entering a combat zone Cool At twenty six Colby Buzzell unemployed and living at home decided to join the US Army Within months he was in Iraq a machine gunner in the controversial Stryker Brigade Combat Team an army unit on the cutting edge of combat technology and the first of its kind Trapped amid guerrilla warfare urban style in Mosul Iraq Buzzell was struck by the bizarre and often frightening world surrounding him He began writing a blog describing the war not as being reported by CNN or official briefings but as experienced by the soldier on the ground His story is a brutally honest and hard hitting account of the absurdities of modern war These are the real stories of the war a firefight where the resistance came from men in black a night spent chain smoking in the guard tower counting the tracer bullets being fired over the city and the hesitation of a young soldier who had been passed around from platoon to platoon because he was too afraid to fight My War is a powerful story of a young man and a war unlike any you have read before
